A polished solid-surface countertop extends to a fixed peninsula when you choose floor plan 3717, for an L-shaped kitchen that houses two separate full-length pantries. A tranquil RETREAT

Your days are filled with discovery, which is why Ventana LE presents a master bedroom where you can rest and renew with help from an available Sleep Number® adjustable mattress. For those nights when you just want to sit back and enjoy the show, there’s a Vizio® LED TV with a second Blu-ray/DVD player. A Whirlpool® washer and dryer is optional inside all floor plans equipped with a rear-wall wardrobe, and every master suite comes styled with a designer headboard and two solid-surface nightstands.
Make your Ventana LE tailgate central with an available outdoor entertainment center, complete with an LED TV and Bluetooth®-compatible soundbar. Or, sit back and admire your dazzling full-paint Masterpiece™ finish. Lennox showcases a charcoal-metallic base, protected up front and on the sides by Diamond Shield® film. New for 2019, all 37- and 40-foot models are paired with an Allison® 3,000 MH transmission, 10,000 lb. tow hitch, and a 24,000 lb. rear axle, while every Ventana LE chassis is strengthened by the Newmar STAR Foundation.
If soft and inviting is how you would describe your favorite style, look to the Lennox décor offered exclusively on the 2019 Ventana LE. Lennox is filled with modern design cues, along with materials like toffee-colored faux leather and a taupe-patterned bedspread. Simple and understated, Lennox is designed to age gracefully and mesh seamlessly with available Newport maple cabinets that come covered by a tasteful matte finish.

**MADE with YOU IN MIND**

Customer-driven floor plans have been a Newmar hallmark since the beginning, and the new 3717 is no different. Boasting four power slides, an L-shaped kitchen, and a generous amount of plush seating options, 3717 is arranged for travelers who value an open and airy cabin where space is plentiful and comfort is easy to come by. Take the living area, for example, where opposing sofas are paired with a dinette booth and surrounded by double-pane windows.

OUR PARTNERS
Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That’s why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.
Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we’ve focused our efforts and energy on creating residential-quality “homes on wheels,” complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don’t just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
