24 Years in Craft

I’ve been working in the RV industry for 24 years, and during that whole time, I’ve been here at Newmar. The people I work with here are the best—they’re my favorite part about coming in every day. On top of that, it’s just a great environment. Being successful in your job here means understanding how important quality craftsmanship is. I take a lot of pride in the work I do, and so does Newmar.

NEWMAR CORPORATION
LUXURY MOTOR COACH

In the 2020 London Aire, discover a host of features and innovations that make every journey feel like a sweet escape. Effortless control is made possible by our renowned Comfort Drive™ steering system, and electronic stability control, tire-pressure monitoring, and automatic headlights add additional layers of safety and convenience. Furthermore, OnGuard™ collision mitigation technology and adaptive cruise control come standard. And with seven available floor plans—two of which are all new for 2020—you're sure to find a design that perfectly complements your lifestyle.

Refinement —— Surrounds You

For comfort in the London Aire cockpit, heated Ultraleather™ captain's chairs feature adjustable lumbar support in addition to power footrests. Dual color monitors present a standard Rand McNally® navigation system, while a JBL® subwoofer adds deep, rich sound to your favorite music. And thanks to the 360-degree camera system with predictive grid lines, you're always aware of your surroundings. Want to stay connected? An in-coach Wi-Fi solution is included, as are wireless charging pads designed to keep your devices functioning at full power. Steps away, a Samsung® 4K TV is capable of making your favorite movies and shows come alive with detail.

The Good Life — Awaits

The London Aire cabin blends luxury and comfort with ease, keeping you cozy with amenities like heated porcelain tile, a chaise sofa that sits opposite a pull-out sleeper sofa—or, select a pair of recliners and enjoy a lampstand and reading lights. No matter your choice, a power retractable Samsung® 4K LED TV is perfectly positioned for your entertainment, with a Bose® soundbar and Sony® Blu-ray player ready to take movie night to the next level. And when it's time to eat, an optional combination dinette with buffet invites you to make yourself at home.

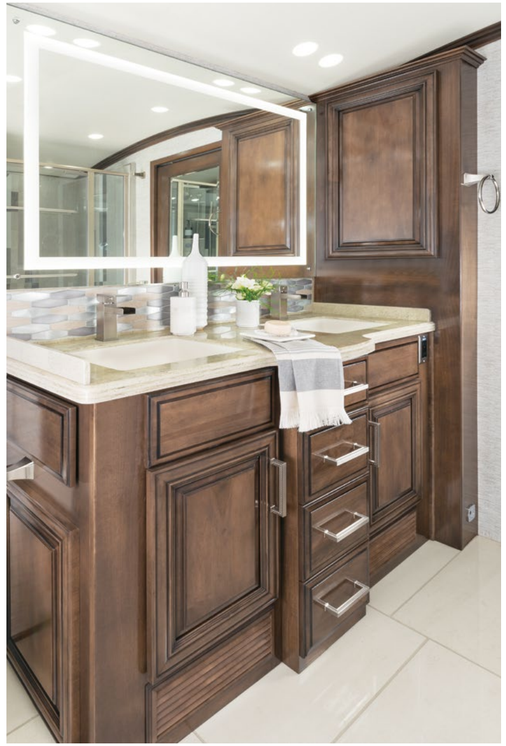
All the right —— Ingredients

Whether you're preparing a four-course meal or an afternoon snack, London Aire serves up plenty of style and function. High-gloss glazed maple hardwood cabinetry with raised panel, soft-close doors—shown here in Bermuda—add a residential look and feel. Surrounding an under-mounted stainless steel sink are super-polished countertops, and a modern appliance suite includes a large Whirlpool® refrigerator and a stainless steel convection microwave with a recessed two-burner cooktop. Plus, cut cleanup time in half when you select the available dishwasher.

Your Suite —— Dreams

Serenity awaits you inside the luxurious London Aire master retreat. Stay warm beneath a quilted bedspread placed atop the standard ultra-plush pillow top mattress—or, upgrade to an optional Sleep Number® adjustable mattress instead. Either way, king-size comfort is yours to enjoy. Radio speakers allow you to enjoy music while you read a book, and the Samsung® LED TV and Blu-ray player are ready to provide a theater-like experience. For your wardrobe, look to a spacious dresser featuring self-closing drawers with dovetail sides.



Escape —— the Everyday

The London Aire master suite boasts a spacious glass-door shower featuring a water conservation system. Super-polished countertops are an attractive highlight of the dual-sink vanity, and storage abounds compliments of a linen closet and medicine cabinet. In the wardrobe, discover cedar paneling, adjustable shelving, and a safe for your most precious belongings. And doing laundry has never been more convenient thanks to the available stacked washer and dryer that can be concealed behind a cabinet door. What's more, guests are treated to a mid-ship half-bath touting many of the same high-style appointments.

Built to —— Impress

To make hosting friends and family even more fun, London Aire is equipped with a Dometic® pull-out freezer and can be had with an outdoor entertainment center featuring a Samsung® LED TV and a soundbar too. Two Girard® Nova side awnings provide ample shade that enables you to enjoy extra living space in the great outdoors. And, of course, a powerful 12.5 kW Cummins® Onan diesel generator lets you roam without worry. To help protect what's yours, keyless entry and power baggage door locks lend an additional layer of protection.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our People Make the Difference

Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we've focused our efforts and energy on creating residential-quality "homes on wheels," complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don't just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.

When You Know the Difference.
