NEW AIRE
diesel motor coach
Measuring just 33 feet in length and sitting a mere 12 feet tall, the 2019 New Aire uses Comfort Drive™ adaptive steering technology to provide an SUV-like driving experience by way of a custom-engineered Freightliner® chassis. But it’s what’s inside that proves even and for all that big luxury really can be had in a smaller package. Filled with hardwood cabinetry donning a light, pattern-rich finish, New Aire positions sumptuous furniture dressed in soft Ultrafabrics® upholstery atop polished porcelain tile complemented with natural seating.

HIGHLIGHTS & AMENITIES
Freightliner XCS chassis with V-Ride® rear suspension
Cummins® diesel engine with 360 horsepower, push-button start
Comfort Drive™ steering and the RoadWatch™ safety package
8.0 kW Quiet Series diesel generator with automatic start
Dual Girard® power side awnings with wind sensors, LED lighting
Shadow full-paint Masterpiece™ finish
Despite its tailored exterior dimensions, the New Aire cabin is big on space, with both quad-slide and triple-slide with full-wall expansion layouts available. Giant double-pane windows let you surround yourself with the great outdoors, while a standard Wi-Fi signal booster makes it easy to stream your favorite shows. What’s more, a retractable TV sits opposite your choice of a sleeper sofa or two power-adjustable theater seats when you select floor plan 3345.

VENT-FREE FEATURE CEILING
P A C K E D  F U L L of S U R P R I S E S

Inside the cockpit, a distinctly modern arrangement seats you and yours in power-adjustable heated captain’s chairs, including a queen-sized passenger seat with a fastest and swivellable workstation. From there, dual monitors present a Rand McNally® navigation system and a new tri-view rear camera display, along with an available 360 degrees of outside visibility. In the living area, transform movie night with a Sony® 4K TV matched to a Blu-ray player and Bose® soundbar.

Available heated tile

Polished porcelain tile flooring
Tucked in between a gorgeous carved hardwood fascia, floor plan 3345 treats you to a Hide-a-Leaf dinette that rests above even more polished porcelain that extends each and every slideout. To the right of a full-length rectangular kitchen window lie all-electric appliances including a stainless steel Whirlpool® convection microwave, French-door refrigerator, portable induction cooktop, and an available Fisher & Paykel® dishwasher.
Beneath a large medicine cabinet and ample linen storage lies an all-glass mosaic backsplash that extends throughout the master bath as part of the solid-surface shower and vanity. A glass-door shower now boasts a folding teakwood seat, with an extra-large showerhead and power vent with rain sensor up above. In need of storage? New Aire delivers with either a china cabinet or dry bar that doubles as a pantry with pull-out shelves.
Enter the master bedroom through a gorgeous hardwood pocket door that showcases a reeded glass insert and uncover a queen bed topped with an available Sleep Number® adjustable mattress backed by a sliding-window headboard. Then, look up and discover six inches of extra headroom made possible by a New Aire-exclusive bedroom Cathedral Ceiling. For 2019, every New Aire houses a 43-inch 4K LED TV and Blu-ray player, along with a rear-wall wardrobe that can be had with a Whirlpool® washer and dryer.
Along with the added strength and durability supplied by the STAR Foundation, the 2019 New Aire raises the bar on safety with standard side-view cameras and the RoadWatch™ package, which combines electronic stability control, automatic traction control, and available OnGuard™ adaptive cruise control with collision mitigation technology. Plus, New Aire offers a myriad of customization options, starting with an outdoor entertainment system, a coach-mounted hammock, power storage trays, and a pull-out Dometic® freezer.
A NEW SENSE of DIMENSION

Drawing inspiration from several unique areas of design, Shadow décor features smooth tones, with temperate greys and white sand Ultrafabrics® upholstery mixing with stone-colored countertops and window fabrics. Black diamond lattice stitching covers the bedspread, with a black bolster pillow set in between a pair of layered bed pillows, completing a look that’s as contemporary as it is timeless.

OH-SO-THOUGHTFUL

With three slideouts led by a full-wall slide on the door side, floor plan 3345 reveals a driver’s side solid-surface dinette that includes two upholstered chairs. Located mid-ship, a roomy kitchen touting a stainless steel under-mounted sink sits across from an enclosed master bath, with all shower spaces now outfitted with a water conservation system. Soft-close dovetail drawers and satin nickel door and drawer hardware can be found throughout, in addition to multiplex LED lighting.

The content in our literature depicts and describes products that are subject to change. For the most recent images and information, please visit NewmarCorp.com.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

THE NEWMAR CUSTOMER EXPERIENCE

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START
Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS
We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that’s second to none from day one.

EVERYTHING IN ONE PLACE
As a Newmar owner, you’ll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE
Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE
When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION
All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach’s superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

OUR PARTNERS

Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That’s why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

BASF
The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

FLEXSTEEL RECREATION
Flexsteel Recreation offers innovative furniture designed for a life that rarely sits still. Comfortable and space-saving, Flexsteel furniture ensures your RV is always ready for dining, sleeping, or hosting guests.

FREIGHTLINER CUSTOM CHASSIS
Freightliner Custom Chassis are renowned for their exceptional ride, excellent maneuverability, advanced chassis technology, and nationwide 24/7 factory-direct support.

INDUSTRIAL FINISHES
Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true “Masterpiece” finish.

SONY
Beautifully designed Sony TVs and Blu-ray players combine to deliver an immersive picture and true-to-life sound. Revolutionize every aspect of your in-coach entertainment experience with Sony.

SPARTAN MOTORS
Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.
Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we’ve focused our efforts and energy on creating residential-quality “homes on wheels,” complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don’t just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
WHEN YOU KNOW the DIFFERENCE
