Crystal clear LED lighting has the power to illuminate the entire residence, while giant windows shed light on the majestic character contributed by ultra-high-gloss cabinetry and porcelain plank tile.

COMMAND your REALM

King Aire lets you experience the royal treatment below a stunning Feature Ceiling and atop your choice of a newly available chaise lounge with power footrests or a set of recliners. Either way, plush Ultraleather® seating and throw pillows embroidered with Ralph Lauren® fabrics are a part of the ensemble. A Samsung® tablet puts you in command of most coach functions—even from afar—and a Bose® SoundTouch 300 soundbar is Bluetooth®-compatible. Two connectivity solutions are also offered, including a standard Wi-Fi signal booster.

HEATED MATTE-FINISH TILE

Your almighty empire

Floor plan 4553 with Camelot décor
A regal manor should never lack a proper throne. As such, King Aire is furnished with heated and cooled captain’s chairs with an available massage feature, including a queen-sized passenger seat accompanied by a touchscreen navigational monitor. The cockpit is host to dual 10-inch screens capable of providing 360 degrees of visibility with help from a tri-view backup camera. And in the front overhead lies one of three Sony® 4K UHD TVs, with a retractable 49-inch example in view of an available U-dinette with a power-adjustable table.
A FEAST of RICHES

Formal and functional, the kitchen boasts a suite of all-electric appliances such as a Wolf® induction cooktop and a massive Whirlpool® French-door refrigerator with hardwood overlay panels. An available Rev-A-Shelf® pantry can house all of your favorite ingredients, with cleanup made easy by a stainless steel farmhouse sink, Delta® Touch 2 O faucet, and a Fisher & Paykel® dishwasher. Adding even more useful style are super-polished countertops and hardwood cabinets with flat panel doors.

CASHMERE RIFT OAK ULTRA-HIGH GLOSS HARDWOOD CABINETRY
The grandeur of the master suite is represented by a magnificent hardwood barn door that separates the bedroom from the bath, along with a Whirlpool® laundry station capable of maintaining your most noble attire. And while the king bed is expected, this one comes bedecked with a wealth of amenities, from a Sleep Number® mattress covered by a goose down comforter to a splendid headboard window composed of sliding panels. For a theater-quality experience, look to the 49-inch 4K UHD TV and Blu-ray player.
With a mid-ship lavatory decorated to match the full bath, King Aire allows you to treat company as honored guests. But it’s what is inside the master space that makes it a most accommodating respite, starting with a porcelain-lined shower accompanied by a Fresca® massage panel. A gorgeous trough-style vanity is a sight to behold and the perfect place to renew. And with the extra six inches of rear-bath headroom made possible by Cathedral Ceiling, you can stretch out too.
More than just the most lavish Newmar ever built, the 2019 King Aire helps shield you from harm with a multitude of advanced safety tech. A Mobileye® lane departure warning system, electronic stability control, and tire-pressure monitoring display all come standard, with an available OnGuard® adaptive cruise control with collision mitigation lets you adjust your following distance. Castle-like strength is granted by the STAR Foundation, and an outdoor entertainment center, pull-out freezer, and auto-locking soft-close baggage doors are all yours.
The brainchild of one of the world’s foremost designers, the Ralph Lauren® Home Collection represents superior-quality fabrics not found in any other motorhome. Accent pillows exhibit three separate textile patterns, from black damask embroidery to a townhouse-style floral motif. Throughout King Aire, off-white Ultraleather® furniture and available cashmere rift oak hardwood blend together seamlessly, for a timeless look with a modern character.

A roomy CHATEAU

The legendary 4553 floor plan presents an expansive cabin widened by a full-wall slideout, allowing for a spacious and clear aisleway that spans the length of the coach. A standard Hide-a-Leaf dinette can be upgraded to a U-shaped booth, with all 4553 floor plans receiving a unique kitchen “appliance garage,” a rear laundry station starring a linen cabinet and hardwood hamper, and a medicine cabinet at the front of the master vanity.

Newmar Quality Begins With The Company We Keep
You deserve class-leading performance from names you can trust. That’s why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.
Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we’ve focused our efforts and energy on creating residential-quality “homes on wheels,” complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don’t just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
