BAY STAR SPORT

50 YEARS HAVE TAUGHT US...
QUALITY RESULTS TAKE QUALITY TIME.
LEADING THE WAY FORWARD

At Newmar, our first 50 years have taught us that the brightest futures are realized by those willing to blaze a new trail. Lead rather than follow. And reject cookie-cutter imitation in favor of cutting-edge innovation. That’s why we are committed to spending the next half century creating handcrafted motor coaches that go above and beyond their batch-built competition. Coaches designed and engineered to help you live the RV lifestyle to the absolute fullest. Join us, and discover the Newmar difference for yourself.

Matt Miller, President
Redesigned for 2018, Bay Star Sport combines unexpected extras with unmatched Newmar quality, the result of a 10-day assembly, paint, and inspection process. Inside, an all-new instrument panel houses a USB outlet, JBL® cockpit audio, and a rearview monitor with sound. There’s even an available Rand McNally® navigation system and a stowable passenger workstation.

QUALITY FROM THE START
Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 quality checks before ever leaving the Newmar factory.

Join Newmar and meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers. Or, connect using the world’s only social sharing network created for RVers, by RVers — RoadLens.io.

SEAMLESS SERVICE
Available 24/7, our service specialists guarantee dealer repair authorization within four hours, and all in-stock parts ship the same day, free of charge. If a part is out of stock, we’ll pull it from our production floor or order the part from the appropriate vendor right away.

ROCK-SOLID WARRANTY COVERAGE
All models include a 1-year/unlimited mileage limited warranty and a 5-year, non-transferable structural warranty that covers your vehicle’s superstructure in the event it fails to perform. Ask your Newmar dealer for details.

THE NEWMAR LEGACY

50 years, built one by one.

Driven to engineer and build the highest-quality RVs the world had ever seen, Marvin Miller and Marvin Newcomer founded Newmar Corporation in 1968.

The pair set up shop in the small Midwest woodworking town of Nappanee, Indiana, where they discovered the people who would establish Newmar as a leading RV manufacturer over the next half century. Artisans and engineers, product designers and quality-control experts to whom being the best is more important than being the biggest.

As we move toward 100 years as a company, our products will continue to evolve. But one thing that will never change is our commitment to hand-crafting excellence, one coach at a time.
