LONDON AIRE
luxury motor coach
simply BREATHTAKING

Reinvented both inside and out, the 2019 London Aire is nothing short of spectacular. On the sides of each cabin window lie irresistibly modern designer wall sconces and fabric window treatments. And down below, seating complemented with a nailhead trim and dressed in Ultraleather® fabrics play host to buttoned and embroidered throw pillows. Porcelain tile flooring covers each slideout, is heated throughout the main cabin, and is presented with a stunning polished finish.

OVERSIZED CABIN WINDOWS
POWER meets PRESENCE

FLOOR PLANS
8 available at 45 feet

HIGHLIGHTS & AMENITIES

Freightliner® SL or Spartan® K3 tag axle chassis
685-horsepower Cummins® diesel engine, push-button ignition
Comfort Drive™ adaptive steering with Passive Steer technology
Dual Girard® Nova power side awnings with wind sensors, LED lighting
12.5 kW Quiet Series diesel generator, power-locking baggage doors
Electronic stability control, optional OnGuard® adaptive cruise control

Belair full-paint Masterpiece™ finish
unparalleled CRAFTSMANSHIP

London Aire is packed with handcrafted elements like a layered Feature Ceiling and a new multi-dimensional side fascia, both carved by experienced woodworkers. Underneath, floor plan 4576 presents you with a jackknife sofa that sits opposite your choice of a large sleeper sofa with storage ottomans or a set of recliners separated by a lampstand. And resting up above is an incredible Bluetooth®-compatible Bose® SoundTouch® 300 soundbar that easily fills the spacious galley.

STANDARD WI-FI SIGNAL BOOSTER
With a finely furnished living area and two Sony® 4K TVs, London Aire is tailor-made for full-time living. Plus, hitting the road has never been safer thanks to side and tri-view rear cameras with optional 360-degree view, available OnGuard® adaptive cruise with collision mitigation, and electronic stability control. In the cockpit, heated captain’s chairs with a queen-sized passenger seat are set just in front of a pair of 10-inch monitors loaded with a Rand McNally® navigation system.
Serves your desires

Floor plan 4576 presents a uniquely angled kitchen design loaded with space-saving extras including a pull-out cabinet and a full-size pantry with sliding drawers, leaving plenty of room for an available Euro booth dinette across the way. All-electric appliances, such as a Whirlpool® French-door refrigerator, along with options like an induction cooktop and dishwasher combine to make the everyday easier, while no London Aire would be complete without details like super-polish surfaces and a patterned glass backsplash.

Great taste all around

Bermuda glazed maple high-gloss hardwood cabinetry
Choose the Belair décor and retreat to a master suite full of charm, from the embroidered floral bedspread and tufted Ultraleather® headboard to the woven plaid accents and step-up bath. And for comfort that’s customizable, a standard king bed can be upgraded with a Sleep Number® adjustable mattress and an optional lift feature that provides the perfect viewing angle of the Sony® 4K TV. Floor plan 4576 gives you stacked solid-surface drawer tops, with Bermuda maple supplying a classic look.
Along with the character and style presented by a full-tile shower and hardwood passage door, London Aire delivers first-class convenience by way of a guest-friendly half bath, a laundry cabinet with available Whirlpool® washer and dryer, and a full-wall wardrobe with adjustable shelves. As large as 50” x 34” on select floor plans, each shower is equipped with a soap dispenser and a fresh water conservation system, and all rear-bath layouts receive extra headroom from a raised Cathedral Ceiling.

Designed with purpose
YOUR OWN
private OASIS

SEPARATE VANITIES
The 2019 London Aire uses Comfort Drive™ adaptable steering and Passive Steer technology to take long-distance travel from taxing to relaxing. And with the exclusive steel superstructure we call “the STAR Foundation™” precision-welded to every London Aire chassis, you and yours will enjoy a quieter, more stable ride too. Once you arrive, host an outdoor gathering with your Dometic® pull-out freezer and an available entertainment center that comes complete with a TV and Bluetooth®-compatible soundbar.

REFINEMENT at ITS FINEST
Amidst the opulence and glamour that is a part of every London Aire, Belair décor adds a clean and contemporary look with chic patterns and a collection of accents, fabrics, and materials that go far beyond anything else in its class. Solid surfaces are brought to life by random veining, and the impressive glass backsplash is present in both the kitchen and bath spaces, with ivory-colored seating further enhanced by a nailhead trim.

OPEN UP to EVEN MORE

A brand-new floor plan for 2019, 4576 is a distinct bath-and-a-half layout with four power slideouts, allowing for an expansive cabin that still has ample space for all of the furnishings and amenities you expect to find in a Newmar. In the living area, a sleeper sofa can be swapped for a set of recliners or a new chaise lounge with power footrests, each offering the perfect view of a retractable 49-inch TV. The dinette sits a step away from the kitchen, with a half bath at mid ship and a full-wall wardrobe in the rear.

The content in our literature depicts and describes products that are subject to change. For the most recent images and information, please visit NewmarCorp.com.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

**Specifications supplied by the chassis manufacturer.**

THE NEWMAR CUSTOMER EXPERIENCE

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START
Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS
We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that’s second to none from day one.

EVERYTHING IN ONE PLACE
As a Newmar owner, you’ll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE
Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE
When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION
All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach’s superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
A. ROOF

- Side-Hinged Baggage Doors with Optional Pull-Out Tray
BASF
The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

FLEXSTEEL RECREATION
Flexsteel Recreation offers innovative furniture designed for a life that rarely sits still. Comfortable and space-saving, Flexsteel furniture ensures your RV is always ready for dining, sleeping, or hosting guests.

INDUSTRIAL FINISHES
Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true “Masterpiece” finish.

SONY
Beautifully designed Sony TVs and Blu-ray players combine to deliver an immersive picture and true-to-life sound. Revolutionize every aspect of your in-coach entertainment experience with Sony.

SPARTAN MOTORS
Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.

OUR PARTNERS
Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That’s why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.
Newmar was founded in 1968 for one simple reason: to build a better RV.

Since then, we’ve focused our efforts and energy on creating residential-quality “homes on wheels,” complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don’t just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.
