EVERY INCH matters

The beauty of the 2017 Bay Star Sport lies in its extra attention to detail, beginning with an all-new soft-surface ceiling, backlit wood fascia and upscale window treatments. Flexsteel® Ultralux leather seating provides softness and support you’ll appreciate, while the Vizio® LED TV and available Fold-n-Tumble sofa team up to help you accommodate friends and family.
A PLACE FOR everything
Searching for space? You’ll find it inside Bay Star Sport, where you’re presented with a large wood pantry, roomy countertop and a double sink made of stainless steel. A generous helping of overhead cabinetry delivers even more storage, while a three-burner stovetop and oven combine with an above-the-range microwave to help make mealtime easy.
For those who find silence to be a virtue, Bay Star Sport houses a master bedroom that can be shielded from the rest of the coach thanks to a specially designed “pocket” door. Inside, a smooth-top Queen mattress touts a new quilted bedspread and two-tone headboard, while a tasteful master bath sits just steps away from a sizeable hallway linen closet.
At Newmar, we believe quality is something that must be reaffirmed time and time again. It’s why every 2017 Bay Star Sport is built on a proven Ford® F-53 chassis complete with Bilstein™ shock absorbers and a 320-horsepower V10 engine. DuraShield™ film protects the front cap against stone chips, and an ultra-reliable 4.0 kW Cummins® Onan generator comes standard.

THE NEWMAR customer EXPERIENCE

The Newmar Difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of 13 years building them. And each coach we assemble must undergo more than 1,000 quality checks before ever leaving the Newmar factory.

EVERYTHING – ALL IN ONE PLACE

As a Newmar owner, you’ll find dozens of resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Join Newmar and meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers for close to 30 years. Or, connect using the world’s only social sharing website created for RVers, by RVers – GoNewmar.com.

WE’RE HERE TO HELP

Have a question? Need to file a claim? Our Warranty team is ready, willing and able to do whatever it takes to make things right, right away.

SEAMLESS SERVICE

Available 24/7, our service specialists ship in-stock parts to arrive the next day. And if a part is out of stock, we’ll pull it from the production floor. It’s all about getting you back out on the road A.S.A.P.

WE HAVE YOUR BACK

Should you find yourself in need of roadside assistance, we’ll send a mobile service technician out to assist you virtually anywhere in North America.
