2016 LUXURY MOTOR COACH
Understated elegance is what defines the 2016 Essex. A motor coach that is bold yet sophisticated. Powerful yet refined. Lavish yet tasteful. Exuding a quiet confidence, Essex establishes an undeniable presence that speaks for itself. It’s a coach for those who recognize that superior quality is not a claim to be made, but an achievement that is earned.

Because luxury is more than a word, it’s a destination.
ESSEX
THE DREAM HOME YOU CAN DRIVE

Freightliner® Tag Axle SL chassis with 600 HP Cummins® ISX diesel engine
11-speaker, 360-watt custom-tuned JBL® premium cockpit audio system
Comfort Drive™ Steering System with Passive Steer Technology
All-new Cathedral Ceiling featured on all bath-and-a-half models
While engineered for the road, Essex presents a living space that is nothing short of first class. Floor Plan 4565 includes an 84" Villa® Hide-a-Bed sofa with footrests, designed to help you enjoy the 48" Sony® LED TV with Bluetooth®-compatible Bose CineMate® home theater system.
If you’re craving something special, the 2016 Essex serves up an available L-shaped kitchen complete with a Whirlpool® residential refrigerator and Kenyon® glass cooktop. Full LED lighting highlights the high-polish solid-surface countertop, while a residential stainless steel sink is highlighted by a Delta Touch20® faucet. Available for the first time, More Floor brings high-gloss full tile flooring to the flat-floor slide-outs in the kitchen, living area and master bedroom. Combine that with the most cabinet storage ever offered in an Essex, and you have an expansive space with room for everyone and everything.

LUXURY ON DISPLAY. CONVENIENCE ON DEMAND.
The 2016 Essex pairs meticulous workmanship with class-leading innovation in a way that makes the competition feel like a compromise. A King-size Sleep Number® adjustable bed lets you tailor your mattress settings with ease, while a handheld Sony® tablet puts you in control of climate settings, interior lighting, window shades and more.

As beautiful as the Pearl Glazed Maple cabinetry appears alongside an elegant Raven décor, the real show begins when you power on the 40” Sony® LED TV with Blu-ray/DVD player. Connected to a Bose Solo® 15, a speaker surround sound system with Bluetooth® compatibility, Essex delivers a theater-quality experience on command.

ULTIMATE ACCOMMODATIONS

King Bed with Accent Pillows, Custom-Quilted Bedspread and Scarf

Hardwood Cabinets Featuring New Premium Hardware

Dresser Featuring BrandMotion® Wireless Charging Station
Uncompromising in every way, the 2016 Essex has the amenities to turn every journey into a pampering escape. Step inside the vast 40”x32” full-tile shower and let its multiple body sprays ease away the day. Once you’re feeling fully refreshed, prepare for your next outing using the high-polish solid-surface vanity complete with full-width mirror.

Steps away, you’ll find a generously appointed mid-cabin half-bath. There’s even an exterior convenience station that provides hot and cold water and features a soap and towel dispenser. Speaking of clean, a premium Whirlpool® stacked washer & dryer can be found in the full-length rear wardrobe.

INDULGE YOUR SENSES
The 2016 Essex features a standard Freightliner® SL tag axle chassis or an optional Spartan® K3 tag axle chassis. Both are solidified by Newmar’s all-new STAR Foundation, a groundbreaking steel superstructure added to enhance durability. Equipped with an air leveling system and Newmar’s ComfortDrive™ Steering System with Passive Steer technology, Essex is engineered to deliver superior comfort and control for years to come.

With Essex, extras are everywhere you look, beginning with two Girard® Nova side awnings with motion sensor, remote control and LED lighting. There’s even a pull-out Dometic® freezer located in the exterior baggage compartment.

TRAVEL WELL

Girard Nova® Awning Featuring Full LED Lighting
Essex also offers an optional Spartan® K3 tag axle chassis. Both feature an independent front suspension, HWH® hydraulic leveling system and support from Newmar’s all-new STAR Foundation. Essex is built using tubular or u-shaped web frames and substructure beams that form a foundation stable enough to allow extensive pass-through storage. This allows Essex to expand beyond its chassis footprint, creating extra space. Its Cummins® ISX diesel engine produces 600 HP, delivering incredible maneuverability and power even on steep inclines.

OUR PARTNERS
Where the Finest Names in Quality and Performance are Along for the Ride

To ensure that you experience only the best in comfort, control and unsurpassed convenience in our incomparable family of Luxury Coaches, Newmar partners with the most prestigious names in mobile lifestyle, entertainment and technology. These brands are leaders in their fields and legends in providing customers with new, unsurpassed levels of quality and reliability. Best-in-class performance from names you can trust. At Newmar, that’s our difference. And our promise.

THE MILLER WAY
Industry-Leading Quality, From Our Family to Yours

For the Miller family, RVing is what we build because RVing is what we love. Thus, the RV lifestyle is more than our business – it’s our passion. Our customers choose Newmar time and time again because they trust in us, our products and our people.

I myself am proud to own a Dutch Star designed, assembled and backed by artisans, engineers and service specialists who represent the best our industry has to offer. Men and women who have spent an average of 13 years as members of the Newmar family. Without them, The Newmar Difference simply wouldn’t exist.

Matt Miller
Newmar President, lifelong motor coach enthusiast
NEWMAR EXPRESS LIMITED WARRANTY

Every Essex diesel motor coach is backed by Newmar’s one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floor plans are subject to change at Newmar’s discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
