A BOLD NEW FACE.

2012 | **CANYON STAR**
UPGRADE YOUR LIFE.

Bay Star

SO MANY EXTRAS, YOU MIGHT NEVER WANT TO STEP OUTSIDE.

Newmar is known for its exquisite diesel motor coaches. Yet with gas coaches like the 2012 Bay Star, packed with extras you'd expect from a far more expensive coach, heads are turning. You have to experience the all new Bay Star's many extra touches to believe it.

COCKPIT

2012 BAY STAR GAS MOTOR COACH

FEELS LIKE A HIGH END
COACH. PRICED LIKE
A BAY STAR.

A sleeker, more dynamic exterior paint scheme. An updated front grill and headlights. And moving inside, a far richer feeling, from standard Empire Maple cabinets to upgraded fabrics, new cabinet hardware and optional vinyl tile floor with grout lines.

Suddenly, you get the sense this is a much higher end coach than you think. But look again at the price. It's still a Bay Star.

ALL THE RIGHT STUFF

Your Bay Star cockpit has the good stuff: cruise control, a tilt steering wheel and a comfy Flexsteel® UltraLux Leather captain's chair. And check out the newly designed rear exterior: sleek!

LIVING

RICH WOOD AND UPSCALE FABRICS. LIFE IS GOOD.

The all new 2012 Bay Star's interior has been dressed up considerably. Starting with lengthening many models by one foot – to allow for its many amenities. You'll notice a new sense of richness from its upgraded fabrics, woods, lighting and hardware. Aren't you the smart shopper.

DESK

DESK

Now you can work comfortably on the road – with Bay Star's built-in desk with overhead storage. Yes, that's a Sony® 40" TV built in just above it. There's even an upholstered chair that tucks carefully under the desk.

DINETTE

It's incredible: you get a full size dinette, a residential size sofa plus a chair and desk in a 33-foot coach. Only Newmar managed it and did it well – with Bay Star.

KITCHEN

Check out this intelligent mini-peninsula kitchen plan: it embraces the dinette and creates extra counter space for food prep or serving. Black appliances are standard; an illuminating kitchen window integrated into the Corian® backsplash is optional.
