The Newmar Difference

Over the past 40 years, Newmar has created a heritage devoted to quality, innovation, luxury and Amish craftsmanship.

Newmar products incorporate sound construction principles, such as the leveled and squared chassis, sub-floor structure that is integrated and welded to the chassis rail and insulation that makes them easy to heat and cool. We use innovative technologies, which include Comfort Drive® Steering, a real-world wiring system, and we test and weigh each vehicle to make sure it meets our high expectations. We also provide custom-built touches, like our hand-crafted cabinetry. With Newmar, you get the ultimate in luxury from a company that’s dedicated to its roots and stands for the utmost in quality.
COMPLEMENT YOUR LIFESTYLE

Your active lifestyle deserves a motorhome offering all of the comforts of home—that’s where the 2009 All Star shines.

Its standard features and array of options create a welcoming environment—from the beautiful hand-crafted cabinetry and polished Corian® countertops to the soft Flexsteel® furniture—that’s as pleasing to look at as it is to live in.

Shown in 4156 floorplan with Bali Blue Décor and Baltic Beech Cabinetry.

INTERIOR FEATURES

A. Kitchen Features Rich Cabinetry and a 30” Convection Microwave Oven, Three-burner Cooktop and a Norcold® Refrigerator
B. Day/Night Window Shade System
C. Booth Dinette with Hardwood Tabletop
After a full day of activity, the bedroom offers a cozy retreat for unwinding. A comfortable bed with a tufted mattress, bedspread with a reverse sham and accent pillow, an LCD television and generous cabinets for storing clothes and belongings come standard.

Shown in 4156 floorplan with Bali Blue Décor and Baltic Beech Cabinetry.

**BEDROOM FEATURES**

A. Queen Bed and Day/Night Pleated Window Shades and Lambrequins  
B. Baltic Beech Cabinets with Raised-panel Doors  
C. 19-inch Flip-down LCD Television
The All Star makes it easy to navigate and command the open road with standard features that include a rearview monitor system, electronic compass in the dash, cruise control and Comfort Drive™ steering.

Comfort Drive steering reduces the driver’s efforts behind the wheel and when controlling the coach in all situations. Parking, cornering and backing up are easier, due to improved maneuverability from automatically centering and correcting steering.

EXTERIOR & INTERIOR FEATURES

A. Spacious Cockpit is Equipped with Comfort Drive Steering Adjustable Control
B. Optional Dash Radio/CD Player Opens For Inserting and Ejecting CDs with Removable and Portable TomTom® Navigation System
C. Hydronic Zone Propane Heating System (Optional)
D. Exterior Entertainment Center with 26-inch LCD TV, AM/FM Radio and CD Player (Optional)
E. Pass-through Exterior Storage (Floorplan-specific)
The choice is yours

Maybe you’re a weekend warrior, a road-trip enthusiast or a dedicated sports fan. Or perhaps you have a hobby that keeps you on the go or a business you run from the road. Whatever active lifestyle you pursue, the All Star is ready to accommodate your every need. We offer several different floorplans to support various journeys and special adventures, and all come stocked with features and amenities that make you feel right at home—wherever your lifestyle takes you.
The Imagination Room

This is the floorplan you’ve been waiting for. One featuring a room that gives you endless possibilities and 113 square feet you can transform into whatever you desire. Just imagine... a mobile business office... space devoted to your favorite hobby... a show room for your canine companions. With the Imagination Room, your only limitation is your imagination.

A. Two entrances— one from inside and one from outside the motorhome
B. Carpeting and windows create an inviting environment
The Toy Hauler provides a comfortable living area for you and a temperature-controlled garage for your favorite recreational toys.

Shown in 4257 floorplan with Fusion Exterior Paint Scheme.

INTERIOR FEATURES

- A. Shop Vacuum with Attachments
- B. 24-gallon Fuel Station
  
  (Floorplan-specific)

ATME 4257

Length: 41' 8”
Width: 101.5”
Garage Length: 10’ 2”

OPTIONS

- Carpet
- Simulated Plank Flooring
- Rubber Diamond Plate
Cabinet with Storage Shelves and Optional Wheel Chocks for Keeping Toys in Place

Ramp Allows Easy Loading and Unloading
Exterior Features Include a Pullout, Swivel Grill, Storage Area for Coolers and a 52" LCD TV Exterior Entertainment Center
The Tailgater

With the Tailgater model, you can add style and convenience to your tailgating experiences as you support your favorite teams. Two awnings shield from the sun and elements, and the side opens up to provide easy access to tailgating essentials.

Shown in 4258 floorplan with Fusion Exterior Paint Scheme.

**ATME 4258**

- **Length**: 41' 8”
- **Width**: 101.5”

**TAILGATER FEATURES**

A. Standard Features in the Kitchen
   - Include a Norcold® Four-door Refrigerator, Titanium Cabinetry, 26-inch LCD TV, and 30 lb. Commercial Icemaker

B. A Two-tiered Counter Provides Plenty of Space for a BBQ Spread
The Reverse Floorplan model changes things up a bit. The kitchen and living area are at the back of the motorhome, and the bedroom is near the front. It’s an innovative and functional twist on the traditional motorhome setup. The cockpit doubles as a separate gathering area. It houses a cabinet, which converts into a table, and four captain seats that can be swiveled around the table, making it possible to engage in games and activities.

Shown in 4481 floorplan with Mysteria Décor and Ginger Maple Raised-panel Cabinetry.

INTERIOR FEATURES

A. Cockpit Area with Ultraleather Driver and Passenger Seats
B. Flip-up Table for Board Games and Other Activities
C. Living Area with Flexsteel® Furniture and 26-inch LCD Television
D. Rear Kitchen with Essential Appliances and Optional Round Hardwood Dinette Table with Fixed Chairs
Newmar ToTaL comforT™ ceNTraL air coNdiTioNiNg

Experience RV air conditioning just like that found in site-built homes. Newmar’s Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

PROTECTED C-CHANNELS
To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a plastic grommet.

SIKAFLEX®
Used throughout Newmar construction, Sikaflex elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16” ON-CENTER FRAMING
Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

**THE LIMITED FIVE-YEAR STRUCTURAL WARRANTY**

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years, from the date of purchase, due to faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

**NEWMAR EXPRESS LIMITED WARRANTY**

Every All Star Diesel is backed by Newmar’s one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

**FULL-PAINT MASTERPIECE FINISH™**

Newmar's Full-Paint Masterpiece Finish raises the exterior beauty and durability of our motorhomes to a whole new level. To obtain such rich-looking graphics, we use up to 16 gallons of paint on each unit, applying three coats each of primer, a base coat and color for graphics, and end with a final clear coat.

**SPARTAN® MID-ENGINE CHASSIS**

Spartan has revolutionized the industry with the mid-engine chassis by moving the engine from the back to the middle. The new design expands floorplan options and improves driving performance. The mid-engine chassis allows for a perfectly balanced, stable ride, which is especially important when changing lanes and avoiding road debris. Plus, you’ll experience the comfort of a quietly purring engine surrounded by state-of-the-art sound-insulating material. Maintenance is simplified with the side-mounted service center, where you can easily access the main chassis service components without any hassle. The mid-engine chassis provides excellent resale value and carries a 36-month, 50,000-mile, no-deductible warranty, which includes roadside assistance for the entire warranty period. So go ahead, share your adventures with the family without sacrificing a bit of comfort.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

1 Lengths do not include the rear ladder.

2 Specifications are supplied by the chassis manufacturer.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

GCWR: Gross Combination Weight Rating is the maximum permissible weight of a fully loaded motorhome.

UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.
Take The Newmar Factory Tour

We’d love to have you visit our state-of-the-art production facility in Nappanee, Indiana. Factory tours are given Monday through Friday at 10 a.m. and 1 p.m. Eastern Standard Time. Please arrive 15 minutes before the hour, and check in at the tour area located in Building Nine on Cheyenne Street. No open-toed sandals can be worn, and children under the age of eight are not allowed to take the tour.

For more information, please call 1-800-860-0086.
