BREATHE DEEP. LIVE LARGE.

The 2007 Mountain Aire is a refreshing departure from run-of-the-mill motorhomes. Crisp, clean styling; generous accommodations; high-end appointments; an eye for detail and a knack for value—all mark this as a genuine Newmar.
YOUR VERY OWN CAFÉ
Dine fashionably at this round, freestanding, hardwood dinette table with two fixed chairs (and two folding chairs). The huge picture window creates a light, airy environment. Nearby is a dry bar with a wall-mounted LCD TV on a swing-out swivel bracket.

TOTAL TRAVEL COMFORT
Mountain Aire’s cockpit area features comfortable Flexsteel® seats; flush-mounted hardwood fascia; frameless halogen lighting for a brighter interior; and a home theater system with a 26-inch LCD TV, a single-disc DVD player and a surround-sound receiver.

BEDROOM VANITY
The ultimate in personal convenience, Mountain Aire’s bedroom features a vanity area with an additional sink and a Corian® countertop. Notice the bathroom’s elegant glass shower door.

EASY-GLIDE DRAWERS
Residential-style, ball-bearing drawer guides allow smooth operation and full access to storage. Added convenience is provided by a standard, molded silverware divider tray.

SOFT, RESTFUL SLEEP
Your Mountain Aire bed features a tufted mattress and a quilted bedspread with a matching bed skirt, shams and accent pillows. Lifts on the bedtop allow access to storage underneath.
NOW YOU KNOW YOU’RE GOING PLACES.

Wherever your travels take you, the Mountain Aire is built to go the distance year after year after year. Richer Full-Paint Masterpiece Finish™ exterior graphics announce your arrival with flair.

SIDEVIEW CAMERAS
While you’re underway, Mountain Aire’s optional sideview cameras let you safely view from the cab the area immediately surrounding either side of the coach.

EXTERIOR MIRRORS
While black mirror casings are a Mountain Aire standard, these optional chrome mirror casings are very popular. Also appreciated are the mirrors’ standard remote control, defrost capability and built-in turn signals.
STEP STORAGE
Keep shoes or any kind of small necessities handy in this compact storage compartment built right into the coach’s top entrance step. Just lift the sturdy tread-covered lid for access.

SUPER STORAGE
Stow all your favorite travel gear—from either side of the coach—in this huge exterior pass-through compartment. Top-hinged doors and bright interior lighting make access easy.

COMMAND CENTRAL
The Mountain Aire cockpit has everything you need to take command of the road. All controls and gauges—including a standard color LCD rearview monitor system—are placed within easy view and reach. A new option this year is an electronic compass that also displays exterior temperatures. Standard Flexsteel® leather/vinyl driver and passenger seats feature six-way power adjustment, power lumbar support and swivel capability.
16" ON-CENTER FRAMING

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

SIKAFLEX®

Used throughout Newmar construction, Sikaflex® elastic adhesive is one of the strongest bonding agents on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

PROTECTED C-CHANNELS

To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

NEWMAR TOTAL COMFORT™ CENTRAL AIR CONDITIONING

Experience RV air conditioning just like that found in site-built homes. Newmar’s Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

FULL-PAINT MASTERPIECE FINISH™

Newmar’s Full-Paint Masterpiece Finish raises the exterior beauty and durability of our motorhomes to a whole new level. This model year, we’re offering our richest-looking graphics ever—to lend even more character and class. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Mountain Aire Gas Motorhome standard.
DETAILS, DETAILS, DETAILS. Go ahead. Get close. Real close. You’ll see that this motorhome’s comfort and styling aren’t superficial: They’re built into the very weave of our fabrics, the very grain of our cabinets and every nook and cranny you might want to scrutinize. After all, it’s details that make the Newmar difference.
STANDARD FEATURES

1 Lengths do not include the rear ladder.
2 Specifications are supplied by chassis manufacturer.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.
GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.
GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.
UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.
NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.
WHAT’S IN A NAME?

When you buy a Newmar, you get more than an RV. You get the benefit of all we at Newmar believe in:

• Building products worthy of our customers’ highest expectations for quality, durability and value
• Blending advanced manufacturing techniques with the time-tested practices of Amish craftsmanship
• Leading the industry with innovations that enhance RV living
• Offering responsive, effective customer service and support
• Being conscientious, loyal and fair in our business dealings
• Treating everyone according to the highest moral and ethical principles

This is what we value—and have valued from the day we opened shop in 1968. This is what the name Newmar has come to mean for so many. And this is what we’ll hold on to for as long as we do business.
