YOUR DUTCH STAR KITCHEN

Built-in appliances, generous cabinets and plenty of countertop space help make meal preparation a breeze. Clean-ups are easy, too, thanks to a new routed countertop backsplash of polished Corian®.
COULD A STAR HOLD YOUR DESTINY? THIS ONE COULD.

Wherever it is you’ve dreamed of taking your RV, Dutch Star will get you there—with more power, performance and personality than any other motorhome in its class. Our designers and engineers have seen to that. They’ve given Dutch Star generous, wide-open interiors, a wealth of sophisticated standards and upscale options, a high-horsepower engine and all the usual traits that make this a genuine Newmar. Like solid dependability. Elegant styling. And uncompromising value. Now, that’ll take you …

ANYWHERE YOU’RE DESTINED TO GO.
COCKPIT SAFETY AND COMFORT
The leather/vinyl front seats offer six-way power and lumbar support as well as three-point, height-adjustable seat belts for added comfort and safety.

NORCOLD® FOUR-DOOR REFRIGERATOR
With its integrated icemaker and water dispenser, this Dutch Star option brings true homestyle functionality to your kitchen.

STYLISH LIVING
Inside and out, Dutch Star dazzles. The new exterior graphics, for instance, lend both drama and class. In the kitchen, optional Light Maple Glazed Hardwood Cabinetry adds an extra touch of distinction. An optional ceramic tile floor with an area rug and a standard hidden-leaf dinette table are further appointments you’ll appreciate.
PULLOUT FAUCET
The kitchen sink’s single-lever faucet has a pullout spout for easier use. The sink itself is undermounted and comes with flush-fitting solid-surface covers to match the polished Corian® countertop and backsplash.

EASY-GLIDING DRAWERS
Residential-style full-extension ball-bearing guides let you open and close any drawer with exceptional ease. Added convenience is provided by a standard, molded silverware divider tray.
FURTHER BEDROOM AMENITIES
Dutch Star bedrooms feature redesigned cabinetry to accommodate a second satellite receiver and the optional washer/dryer combo.

BATHROOM AMENITIES
Easy-cleaning, polished Corian® countertops, ample cabinet space and a decorative glass shower door are but a few of the Dutch Star bathroom's thoughtful conveniences.

FURTHER BEDROOM AMENITIES
Dutch Star bedrooms feature redesigned cabinetry to accommodate a second satellite receiver and the optional washer/dryer combo.
RESTFUL COMFORT

The luxurious pillowtop mattress, quilted bedspread with shams and accent pillows make the Dutch Star bedroom an inviting place for relaxation and renewal. Recessed storage in the closet allows you to maximize your space.
MISSION CONTROL

The Dutch Star cockpit has everything you need to take command of the road. Its leather/vinyl driver and passenger seats feature six-way power adjustment, lumbar support and swivel capability. Above the cockpit is a new Sony® home theater system with a single-disc DVD player and a surround-sound receiver.
NEW EXTERIOR GRAPHICS
This year's more richly detailed Full-Paint Masterpiece Finish™ exterior graphics give the Dutch Star an even sleeker, bolder look.

EXTERIOR BATTERIES
Your Dutch Star gives you four 6-volt batteries mounted on an easily accessible pullout tray and housed in their own exterior compartment featuring a side-hinged swing-out door.

EXTERIOR POWER CONNECTION
With this exterior power connection and optional cord rewind reel, you have convenient access to electrical power outside the Dutch Star.

OPTIONAL SIDEVIEW CAMERAS
While underway, Dutch Star's optional sideview cameras let you safely view from the cab the area immediately surrounding either side of the coach.
**NEWMAR TOTAL COMFORT™ CENTRAL AIR CONDITIONING**

Experience RV air conditioning just like that found in site-built homes. Newmar's Total Comfort Central Air Conditioning is actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.
