Everything about a Mountain Aire Fifth Wheel proclaims its purpose: to simplify your travel living in a way that leaves you refreshed, invigorated and totally free.

Go ahead and sweep through its open, airy interior. Delight in its thoughtful layout. Sink deep into its ultra-comfortable furniture. And revel in its storage capacity. From the abundance of interior cabinets to the huge exterior pass-through bay, you have plenty of room to pack all you need—and then some.

A vacation shouldn’t wear you out. Renew yourself with the refreshing comforts of a Mountain Aire Fifth Wheel.
Slideout

Grand living on a grand scale: That’s what you get with the Mountain Aire Fifth Wheel’s living area slideout … courtesy of Newmar, the pioneer in RV slideouts.

Window Treatments

The Mountain Aire’s standard large-scale double-pane windows are offset by beautiful interior treatments, including elegant lambrequins and pleated day/night shades. Vertical blinds are standard on rear bay windows.

Inlaid Wood Trim

The inlaid wood trim surrounding the slideout opening recalls the rich architectural detail of fine traditional homes.
LEFT: The Mountain Aire’s cozy den model offers plush recliner chairs, an optional electric fireplace and a Sony® flatscreen color TV with Surround Sound, framed by a full-wall entertainment center.

ABOVE: This desk includes overhead cabinetry with extra storage space and a Sony flatscreen color TV.

BOTH: Pull out the cushion section of our Hide-a-Bed sofa for extra-restful sleeping accommodations, available on most floorplans.
REFRESH YOURSELF, BODY AND SOUL
The Mountain Aire kitchen features an optional 30-inch convection microwave and a three-burner, recessed range with electronic ignition and a Corian® bi-fold cover. It also includes an optional 10-cubic-foot Dometic® refrigerator with hardwood-framed, raised-panel front, plenty of optional Velvet Cherry hardwood cabinets and an island with a flip-up countertop extension.

The freestanding dinette table is complemented by four upholstered sidechairs in this optional sunroom slideout.

The undermounted acrylic sink features flush, polished Corian sink covers and an optional filtered drink dispenser separate from the pullout spray faucet.
ABOVE: The Mountain Aire bedroom offers an optional King-sized bed with a quilted headboard and bedspread, a reverse sham and accent pillows. Individual reading lights are mounted above the headboard. The bed lifts up, giving you access to a spacious storage area underneath. The wardrobe offers compartmentalized shelving.

LEFT: The bathroom offers plenty of cabinet space, an easy-cleaning laminate countertop, a sink with a single-lever faucet and a tub/shower surround with a shower door.

BELOW: This bedroom’s lighted, pullout vanity mirror provides a welcome touch of home.
A. The Mountain Aire’s optional manual porch extends with a pull of a latch to give you a wider platform for entering and exiting the coach. A handrail offers additional support. Also shown is one of the slideout’s exterior sides, all of which are fully painted for extra protection and beauty.

B. The expansive basement pass-through storage is not only lighted but offers an optional pullout tray.

C. The front storage area comes complete with a pegboard and optional cargo netting to increase your storage options.

D. Dual-tandem axles with the MOR/ryde® Rubber Equalizer Suspension and heavy-duty 16-inch wheels assure solid, stable road performance. And the wheels’ eight-lug-bolt pattern matches that on your Chevy® or Ford® tow vehicle.

Your Mountain Aire Fifth Wheel is built to go the distance. And for good reason: It’s assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also reflects Newmar’s long history of product innovation and industry “firsts.” For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

For the third year in a row, Newmar has won RVDA’s Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers’ performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.
**Total Comfort™**

**Newmar Central Air Conditioning**

Newmar’s Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

**Newmar Freedom Warranty™**

As proof of our commitment to you, we at Newmar back every Mountain Aire Fifth Wheel with our industry-leading three-year limited warranty: The Newmar Freedom Warranty.* Ask your dealer for details. Coverage this comprehensive is really liberating.

* Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.
Newmar’s Full-Paint Masterpiece Finish creates an exterior of stunning beauty and incredible endurance—a true work of art. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Mountain Aire Fifth Wheel option.

Diamond Shield Front Paint Protection Film is optional on all Mountain Aire Fifth Wheels. Diamond Shield Film protects the front against stone chips, scratches and bug acids. Diamond Shield Film is optically clear with a high gloss designed to keep the Full-Paint Masterpiece Finish looking new.
