STARLIGHT, STARBRIGHT.
DREAMS COME TRUE

If you’ve ever wished for a motorhome that provides a higher standard of travel living at a price that actually lets you enjoy it, wish no more. The Kountry Star Diesel Pusher Motorhome is just what you’ve been dreaming of.

Take a close look at its crisp, clean styling, inside and out… its exceptional power and performance…its thoughtfully designed floorplans…and its exceptional, comfort-enhancing amenities. You’ll know it’s light-years beyond anything else in its class.

Clearly, when you wish on a Kountry Star, your dreams do come true.
Kountry Star’s living area slideout significantly expands your living options and your comfort—which is what you’d expect from Newmar, the pioneer in RV slideouts.

Decorative Molding
Recalling the rich architectural detail of fine traditional homes, the trimwork surrounding the slideout opening features decorative molding accents.

Overhead Cabinets
Storage space is always at a premium, especially in the living room, so these overhead cabinets can really come in handy.

Window Treatments
Kountry Star’s standard large-scale double-pane windows are offset by beautiful interior treatments, including elegant lambrequins and pleated day/night shades.
In the mood for a little entertainment? Switch on your Sony® 24-inch flatscreen color TV with a DVD, VCR and AM/FM stereo combo unit. Surround Sound and a subwoofer for the ultimate experience. The TV is handsomely mounted in its own overhead cabinet.

Talk about convenience: This plush swivel/recliner chair is positioned next to a wall-mounted flip-up sidetable.

Our optional Hide-a-Bed sofa extends to provide extra sleeping accommodations and features a super-comfortable air mattress.
Countertop space is generous and made of solid-surface material. Note the pullout cutting board next to the range and the flip-up countertop extension by the sink.

Reliable piezo ignition, sealed burners for easy cleanup and a solid-surface bi-fold cover that closes flush with the countertop distinguish the Kountry Star’s three-burner range.

The 30-inch convection microwave oven really increases your cooking options.

Kitchen storage space is very generous in the Kountry Star. These optional Ericsburg Cherry cabinets feature hardwood single-arch raised panel doors.

SATISFY YOUR HUNGER FOR LIVING
ABOVE: The undermounted acrylic sink features flush sink covers and a pullout faucet.

RIGHT: This optional Norcold® four-door refrigerator has a built-in icemaker and water dispenser for quick convenience. The doors have a hardwood raised-panel front for that classic built-in look.

BELOW: The optional combination desk/flip-up dinette, available on most floorplans, comes with two plushly upholstered freestanding sidechairs and two upholstered folding chairs, providing a pleasant room setting for meals, conversation, letter-writing or gaming.
Queen Bed
The Kountry Star bedroom offers a queen-sized bed enhanced with a quilted headboard and bedspread, a reverse sham and an accent pillow. The bed lifts up, giving you access to a spacious storage area underneath.

Reading Lights
Individual reading lights are mounted above the headboard.

Overhead Cabinets
Convenient cabinets above the headboard let you stow more of your favorite clothing, bedding or personal items. The end cabinets have etched-mirror door panels.

Deep Wardrobe
The deep wardrobe with its compartmentalized shelving not only lets you stow more but lets you organize your belongings much more efficiently.
ABOVE: A standard color TV is built into the cabinetry, high enough for easy viewing from bed.

RIGHT: In addition to offering plenty of cabinet space, the bathroom features an easy-cleaning solid-surface countertop with an integrated sink, a single-lever faucet and a tub/shower surround with a shower door.

BELOW: Lots of deep drawers and cabinets—including storage drawers beneath the bedroom window—let you bring what you need for the long haul.
A. The Kountry Star cab is truly the "Driver’s Command Center.” All dashboard gauges and controls are well within view and reach. Other top features include a tilt-and-telescopic steering wheel and a color rearview back-up monitor.

B. Ultraleather cab seating features lumbar support, Ergo-Flex arms and six-way power adjustment to keep you comfortable mile after mile.

C. This AM/FM dash stereo features an optional multi-disc CD player and SIRIUS Satellite Radio capability.
D. The exterior entertainment center includes a 22-inch flatscreen LCD color TV mounted on a swing-out arm, and Sony® AM/FM stereo CD player with two speakers, all contained in a separate compartment.

E. The rearview convex exterior mirrors feature remote control and defrost.

F. The expansive basement pass-through compartment is not only lighted but comes with optional pullout storage trays.

G. The newly redesigned end cap creates a pleasing, unified exterior look.

H. The Kountry Star’s 7.5 kW Guardian Diesel Generator gives you all the power you’ll need. It is located in a front pullout compartment for easy access.

The Newmar Kountry Klub

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you’ll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that’s just for starters.

Join today. Call 877.639.5582, toll-free, or visit the Kountry Klub section of newmarcorp.com.
Your Kountry Star Diesel Pusher Motorhome is built to go the distance. And for good reason: It’s assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar motorhomes. It also reflects Newmar’s long history of product innovation and industry “firsts.” For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

Protected C-channels
To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

For the third year in a row, Newmar has won RVDA’s Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers’ performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.

NOTHING ENDURES LIKE A NEWMAR
Newmar Freedom Warranty™

As proof of our commitment to you, we at Newmar back every Kountry Star Diesel Pusher Motorhome we make with our industry-leading three-year/50,000-mile limited warranty: The Newmar Freedom Warranty.* Ask your dealer for details. Coverage this comprehensive is really liberating.

*Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.

Total Comfort™

Newmar Central Air Conditioning

Newmar’s Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

Sikaflex®

Sikaflex® is one of the strongest adhesives on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16” On-Center Framing

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.
Upper cabinet doors shown. Real woods will have variations in grain and color. Natural wood products will darken over time.
Newmar’s Full-Paint Masterpiece Finish creates an exterior of stunning beauty and incredible endurance—a true work of art. As industry leaders in applying full body paint to motorhome coaches, we at Newmar are pleased to offer the Full-Paint Masterpiece Finish as a Kountry Star Diesel Pusher Motorhomes option.

Diamond Shield Front Paint Protection Film is standard on all Kountry Star Diesel Pusher Motorhomes with Full-Paint Masterpiece Finish. Diamond Shield Film protects the front against stone chips, scratches and bug acids. Diamond Shield Film is optically clear with a high gloss designed to keep the Full-Paint Masterpiece Finish looking new.
FEATURES

STANDARD FEATURES

MOTORIZED CHASSIS FEATURES
• Freightliner® Chassis (300 Horsepower) Standard on 33' Floorplans
• Freightliner Chassis (330 Horsepower) Standard on 37' Floorplans

Lengths, Heights, Widths and Dry Weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR**: Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR**: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

**GCWR**: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

**UVW**: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants.

**NCC**: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.

* Specifications supplied by chassis manufacturer.

**MOUNTAIN MASTER CHASSIS**

The Mountain Master chassis is America’s most popular, premium, high horsepower diesel pusher. This premium world-class chassis is the flagship of Spartan Chassis, Inc. The Spartan Mountain Master and Mountain Master GT doesn’t just lead the way, it paves the way! Experience the power, the superior ride and handling, plus the excellent driving performance with the Spartan Mountain Master chassis. The Mountain Master chassis provides excellent resale value and carries a 36 month, 50,000 mile, no deductible warranty, which includes road side assistance for the entire warranty period. So sit back and enjoy the ride!
NEWMARCORP.COM
Visit our Web site. Here you’ll easily access the most up-to-date Newmar product information, model specifications, floorplans and options. You’ll also learn more about who we are, how we work and what we believe in. Become a registered user—for free—and you’ll also get access to the latest event data, technical and service tips and the location of your nearest Newmar dealer. This isn’t just our site—it’s yours.

THE NEWMAR FACTORY TOUR
We’d love to have you visit our state-of-the-art production facility in Nappanee, Indiana. Factory tours are given Monday through Friday at 10 a.m. and 1 p.m. (Indiana time). Pre-registration is not required but is helpful, since tour-group sizes may be limited from time to time. Please arrive 15 minutes before the hour and check in at the tour area that is located in Building Nine on Cheyenne Street. No open-toed sandals can be worn, and children under the age of eight are not allowed to take the tour.
For more information or to pre-register, please call 800.860.0086.
