2005 | KOUNTRY AIRE FIFTH WHEEL

by Newmar
The Good Life Starts Here

You hear it calling constantly—that promise of carefree living on the open road. In a Kountry Aire Fifth Wheel, that promise becomes reality.

It’s all in the details, of course. And nobody “does” details like Newmar. From the expansive living areas to the plush seating to the array of conveniences, inside and out, this is one fifth wheel that knows how to replenish body and soul. That’s because Newmar’s thoughtful designers and engineers understand the importance of little things: it’s those little things that let you live large… in a Kountry Aire Fifth Wheel.
Grand living on a grand scale: That’s what you get with the Kountry Aire Fifth Wheel’s living area slideouts… courtesy of Newmar, the pioneer in RV slideouts.

The Kountry Aire’s standard large-scale double-pane windows are offset by beautiful interior treatments, including elegant lambrequins and pleated day/night shades. Vertical blinds are standard on rear bay windows.

Storage space is always at a premium, especially in the living room, so these overhead cabinets can really come in handy.

Fashionable, decorative wall sconces not only lend ambiance to the main living area but also serve a useful purpose, putting light where you need it.
ABOVE: This Sony® flatscreen color TV is handsomely mounted in the living area’s grand entertainment center.

RIGHT: Write postcards or pay bills with ease at this convenient desk. The overhead gives you extra storage space and holds a Sony flatscreen color TV.

BELOW: Not only does our sofa provide plush comfort, but the Hide-a-Bed offers plenty of extra sleeping accommodations. The freestanding coffee table gives the living area a warm, residential feel.
ENJOY ALL OF LIFE’S BOUNTIES
LEFT: Among the Kountry Aire kitchen’s top features are an optional 30-inch convection microwave and a three-burner recessed range with electronic ignition and a polished Corian® bi-fold cover. It also includes a 10-cubic-foot Dometic® refrigerator with a hardwood-framed raised-panel front, plenty of optional Regent Cherry hardwood cabinets and an island with a flip-up countertop extension.

ABOVE: The undermounted acrylic sink features flush, polished Corian sink covers and a faucet with an optional filtered drink dispenser.

BELOW: Drama, beauty and useful storage are provided by this built-in hutch.
ABOVE: The Kountry Aire’s queen-sized bed lifts up to reveal a spacious storage area underneath. The deep wardrobe offers conveniently compartmentalized shelving for shoes and smaller clothing items.

LEFT: The bathroom offers plenty of cabinet space, an easy-cleaning polished Corian® countertop and a tub/shower surround with a shower door.

BELOW: This bedroom’s lighted, pullout vanity mirror provides a welcome touch of home.
A. The Kountry Aire’s front storage area comes complete with a pegboard and a large pullout drawer to increase your storage options.

B. Dual tandem axles with the MOR/ryde® Rubber Equalizer Suspension and heavy-duty 16-inch wheels assure solid, stable road performance.

C. This optional Power Porch extends electronically with the push of a button to give you a wider platform for entering and exiting the coach. Also shown is one of the slideout’s exterior sides, all of which are fully painted for extra protection and beauty.

D. The expansive basement pass-through storage is not only lighted but has an optional convenient pullout tray and cargo netting.

THE NEWMAR KOUNTRY KLU B
As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Your Kountry Aire Fifth Wheel is built to go the distance. And for good reason: It's assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also reflects Newmar’s long history of product innovation and industry “firsts.” For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

For the third year in a row, Newmar has won RVDA’s Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers’ performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.

Newmar Freedom Warranty™
As proof of our commitment to you, we at Newmar back every Kountry Aire Fifth Wheel with our industry-leading three-year limited warranty: The Newmar Freedom Warranty.* Ask your dealer for details. Coverage this comprehensive is really liberating.

* Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.

Total Comfort™ Newmar Central Air Conditioning
Newmar’s Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

Sikaflex®
Sikaflex elastic adhesive is one of the strongest adhesives on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16” On-Center Framing
Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.
