Wherever your travels take you, a Kountry Star Fifth Wheel can make every day—and night—bright.

It’s easy to see why.

The interiors are warm, open and inviting. Plush furniture and a host of thoughtful amenities provide for every comfort. Storage space is extremely generous: You even have a huge pass-through bay. And the construction? As always with Newmar, it’s second to none. So your Kountry Star will take you far.

Even more remarkable, in light of all that it offers, is Kountry Star’s affordability. Smart manufacturing accounts for that—and makes for a truly brighter living experience.
Grand living on a grand scale: That’s what you get with the Kountry Star Fifth Wheel’s living area slideouts ... courtesy of Newmar, the pioneer in RV slideouts.

Recalling the rich architectural detail of fine traditional homes, the trimwork surrounding slideout openings features decorative molding accents.

Storage space is always at a premium, especially in the living room, so these overhead cabinets can really come in handy.

The Kountry Star’s optional large-scale double-pane windows are offset by beautiful interior treatments, including elegant lambrequins and pleated day/night shades.
LEFT: Write postcards, pay bills or go online with ease at this convenient desk. Next to it is a full-sized built-in entertainment center with extra storage space and a color TV.

ABOVE: Watch TV from the comfort of these plush living-area recliner chairs—one recliner is standard and the second is optional.

BELOW: Pull out the cushion section of this standard Magic-Bed sofa, extend it, and you’ve got plenty of extra—and extra restful—sleeping accommodations.
ENOUGH TO FILL YOUR PLATE
LEFT: Generous cabinet and countertop space is a hallmark of the Kountry Star kitchen. Cabinets feature oak hardwood raised-panel doors and countertops are made of solid-surface Corian.

ABOVE: The optional 30-inch Spacemaker® convection oven is accompanied by a three-burner range featuring sealed burners with piezo ignition and a bi-fold range cover for fast, easy cleanups.

BELOW: The undermounted sink features optional flush sink covers and a pull-out faucet.
ABOVE: The Kountry Star bedroom offers a queen-sized bed that flips up to reveal a spacious storage area underneath, individual reading lights and a deep wardrobe with compartmentalized shelving.

LEFT: The bathroom offers plenty of cabinet space, an easy-cleaning laminate countertop, a sink with a single-lever faucet and a tub/shower surround with a shower door.

BELOW: This bedroom’s lighted, pullout vanity mirror provides a welcome touch of home.
A. The expansive basement pass-through storage offers open access to the front storage compartment.

B. The newly redesigned end cap creates a more pleasing, unified exterior look.

C. With its taller profile, the 2005 Kountry Star gives you more interior headroom.

D. The front storage area comes complete with a pegboard to increase your storage options.

E. Tandem axles, optional MOR/ryde® RE suspension and heavy-duty 16-inch wheels assure solid, stable road performance.

The Newmar Kountry Klub

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you’ll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that’s just for starters.

Join today. Call 877.639.5582, toll-free, or visit the Kountry Klub section of newmarcorp.com.
Your Kountry Star Fifth Wheel is built to go the distance. And for good reason: It’s assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also reflects Newmar’s long history of product innovation and industry “firsts.” For us, this is a matter of pride. And tradition. Of taking personal responsibility and building a product we ourselves would want to own.

For the third year in a row, Newmar has won RVDA’s Quality Circle Award, given in accordance with the results of an annual RV dealer satisfaction survey. The survey asks RV dealers to evaluate manufacturers’ performance in four major categories: Sales Support, Product Competitiveness, Service and Warranty Support. We are honored to receive this award, of course. It tells us that our efforts on behalf of our dealers and customers are appreciated. And we will continue working to keep their trust.

Protected C-channels
To keep the electrical wiring that runs through holes in the aluminum-frame C-channels from chafing, each hole is ringed with a rubber grommet.

NOTHING ENDURES LIKE A NEWMAR
Newmar Freedom Warranty™

As proof of our commitment to you, we at Newmar back every Kountry Star Fifth Wheel with our industry-leading three-year limited warranty: The Newmar Freedom Warranty.* Ask your dealer for details. Coverage this comprehensive is really liberating.

* Please see a Newmar dealer for a copy of the complete terms of the Freedom Warranty.

Total Comfort™
Newmar Central Air Conditioning

Newmar’s Total Comfort Central Air Conditioning system—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.

Sikaflex®

Sikaflex elastic adhesive is one of the strongest adhesives on the market today. It also serves as a sealant against air and water. And it helps dampen both sound and vibration.

16” On-Center Framing

Just like a fine site-built residential home, your Newmar home is framed 16 inches on center, which allows the best placement of outlets, switches and other components.

Floor R-value=11

Wall R-value=11

Roof R-value=14
INTERIOR & EXTERIOR COLOR OPTIONS

Upper cabinet doors shown. Real woods will have variations in grain and color. Natural wood products will darken over time.
FEATURES & SPECIFICATIONS

STANDARD FEATURES

AIR CONDITIONING & HEATING
- 13.5M Brisk Central Air Conditioner
- Two 30 Lb. LP Gas Bottles with Automatic Regulator
- LP Furnace with In-Floor Ducted Heat
- LP Leak Detector

In keeping with our tradition of bringing our customers the highest-quality products in the industry, Newmar works with the following manufacturers to supply components for our vehicles:
**NEWMARCORP.COM**

Visit our Web site. Here you’ll easily access the most up-to-date Newmar product information, model specifications, floorplans and options. You’ll also learn more about who we are, how we work and what we believe in. Become a registered user—for free—and you’ll also get access to the latest event data, technical and service tips and the location of your nearest Newmar dealer. This isn’t just our site—it’s yours.

**THE NEWMAR FACTORY TOUR**

We’d love to have you visit our state-of-the-art production facility in Nappanee, Indiana. Factory tours are given Monday through Friday at 10 a.m. and 1 p.m. (Indiana time). Pre-registration is not required but is helpful, since tour-group sizes may be limited from time to time. Please arrive 15 minutes before the hour and check in at the tour area that is located in Building Nine on Cheyenne Street. No open-toed sandals can be worn, and children under the age of eight are not allowed to take the tour.

For more information or to pre-register, please call 800.860.0086.
