A

Seagulls soared above driftwood and tide pools. Like sunlight dancing across water or the caress of a breeze in a field of flowers, a Mountain Aire Fifth Wheel can invigorate any travel experience. That’s because Newmar lavishes so much care on even the smallest detail. From the dual-motor fifth wheel jacks...to the exterior’s optional Full-Paint Masterpiece Finish™ to this year’s higher ceilings and expanded pass-through storage space...this is an RV that makes getaways truly come alive. You know that’s what you’ve longed for. Visit your Newmar dealer, and see how refreshing a Mountain Aire Fifth Wheel can be!
A. This unique and visually appealing layout offers much additional cabinet and Corian®
countertop space.

B. Our new flush floor in the bathroom and the bedroom increases ceiling height to 6'6”,
while bedroom slideout windows expand your view, let in more light and aid ventilation.

C. Plentiful cabinets and a thoughtful layout distinguish the Mountain Aire kitchen, enhancing
its usefulness.

D. This bedroom’s warm, rich cabinetry offers an abundance of drawers, spacious wardrobes
and an elegant vanity mirror.
We spent the morning walking the forest trails, then had lunch in an impressive stone picnic shelter.
A. Flexsteel® glider recliners create a cozy, comfortable conversation area in this living room arrangement.

B. Pack everything you want: The unobstructed pass-through bay provides maximum storage space without sacrificing frame strength.

C. An optional Pioneer® stereo system upgrade is available for entertainment center installation.

D. The entertainment center features a roomy desk, an overhead 27” flat-screen color TV and a stereo system with built-in speakers.
Your Mountain Aire Fifth Wheel is built to take you as far as your road rolls on...for as long as you roll on with it. Because there’s more than enough solid engineering here to ensure years of travel pleasure.

Mountain Aire is assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also embodies Newmar’s long history of product innovation and industry “firsts.” For us, it’s a matter of pride. And tradition. Of taking personal responsibility and building a product that each of us, ourselves, would want to own.

As proof of our commitment, we back every coach we make with a three-year, bumper-to-bumper limited warranty: The Newmar Freedom Warranty. Ask your dealer for details. You’re sure to find coverage this comprehensive a truly liberating experience.

**Total Comfort**

**NEWMAR TRUE CENTRAL AIR**

Newmar’s True Central Air System—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.
Here you’ll discover the latest model specifications, floor plans and options, as well as information on who we are, how we work and what we believe in.

INTERIOR COLORS
A. Wheat  B. Cameo Rose  C. Fern Green  D. Delft Blue

Real woods will have natural variations in grain and color. Natural wood products will darken over time.

EXTERIOR COLORS
A. Delft Blue (Vinyl)  B. Cameo Beige (Vinyl)  C. Cashmere (Full Paint)  D. Arctic Grey (Full Paint)
