2004 KOUNTRY STAR
FIFTH WHEEL BY NEWMAR

Destination:
Lake Superior Getaway
Most would agree, there are few things more exhilarating or illuminating than travel. Especially when you can see—in person—places you had only seen in your mind’s eye. No wonder so many people travel with a Kountry Star Fifth Wheel in tow. It has a way of lighting up any destination…with warm, open, inviting interiors…a huge pass-through storage area that lets you pack as if you were never coming back…and solid, dependable Newmar construction that frees your mind and lets you live large. Catch the glow of a Kountry Star Fifth Wheel today.
A. Plentiful cabinets and a thoughtful layout enhance kitchen convenience.

B. Stand tall: Our new raised roof eliminates the need for steps and increases ceiling height to 6'6".

C. Much countertop and cabinet space is gained with this unique and visually appealing layout.

D. The Kountry Star bathroom’s amenities feature an optional one-piece-fiberglass shower surround that is easy to clean.
The road we took wound around the lake’s rocky shore, past such views cascading down the mountain, and more of the lighthouses we love.
A. The optional crisp window lambrequins add a touch of sophistication to the living room.
B. Flexsteel® swivel recliners create a cozy, comfortable conversation area.
C. Pack everything you want: The unobstructed pass-through bay provides maximum storage space without sacrificing frame strength.
D. An exceptionally smooth ride is provided by standard shock absorbers on your Kountry Star Fifth Wheel.
NEWMAR’S FREEDOM WARRANTY™

Your Kountry Star Fifth Wheel is built to take you as far as your road rolls on...for as long as you roll on with it. Because there’s more than enough solid engineering here to ensure years of travel pleasure.

Kountry Star is assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also embodies Newmar’s long history of product innovation and industry “firsts.” For us, it’s a matter of pride. And tradition. Of taking personal responsibility and building a product that each of us, ourselves, would want to own.

As proof of our commitment, we back every RV we make with a three-year, bumper-to-bumper limited warranty: The Newmar Freedom Warranty. Ask your dealer for details. You’re sure to find coverage this comprehensive a truly liberating experience.

TRUE CENTRAL AIR: Newmar’s True Central Air System—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.
Here you’ll discover the latest model specifications, floor plans and options, as well as information on who we are, how we work and what we believe in.
THE NEWMAR KOUNTRY KLUB

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you’ll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that’s just for starters.

Join today! Call 877-639-5582, toll-free, or visit the Klub section of newmarcorp.com.
