FASCINATION

It’s at the heart of the human spirit—a fascination for sunset panoramas and endless horizons. The Mountain Aire is our way of saying, “Follow your dreams.” This exquisite coach builds on the heritage of Newmar innovation, surrounding its occupants in luxury. And, with the chassis and power options available in the Mountain Aire Diesel Pusher, you can take the high road—effortlessly, no matter if you’re chasing your dreams or just catching up with family and friends.

Like what you see? Maybe you want to learn more about who we are—to discover more about what we mean by “Newmar Quality: A Way Of Life.” At newmarcorp.com, you’ll find the latest updates on individual model specifications, floorplans, special packages and more. You’ll also find a wealth of resources to become more familiar with our heritage, our history and our innovations.
A compelling, irresistible pull. That’s the allure of the Mountain Aire. The Mountain Aire features four new exterior colors and full-paint graphics that blend stunning strokes of color into any setting you find along your journey. And, just beneath the elegant finish lies cavernous full-basement storage and easy accessibility to service compartments. The Mountain Aire is an alluring combination of Newmar innovation and artistry, captivating from any angle.
To experience the interior of the Mountain Aire Class A is to experience serenity. At the request of customers, and in our pursuit of continuous innovation, the Mountain Aire Class A offers several new features. Among these are five new interior décor choices, the addition of Sony® flat-screen televisions, restyled decorative mirrors and glass, two-tone dash trim, a leather-wrapped steering wheel and new front privacy drapes. Several ergonomic enhancements have refined the interior even further. The Mountain Aire Class A is a unique blend of Newmar innovation and artistry, a sanctuary that surrounds you in luxury and exemplifies Newmar comfort.
The interior of the Mountain Aire Diesel Pusher invites you in, drawing you closer to experience its beauty and luxury. Numerous refinements have enhanced the Mountain Aire Diesel Pusher for 2003. Among these are five new interior décor choices, Sony® flat-screen televisions, new-style decorative mirrors and glass, burled wood dash trim and a uniquely redesigned Corian® countertop edge. And, with ergonomic enhancements like the adjustable throttle and brake pedals, and redesigned dash, the Mountain Aire Diesel Pusher is as much a pleasure to drive, as it is to call home.
PRIDE AND TRADITION

Maybe it’s in the way Newmar employees take pride in their work and assume personal responsibility for each task they perform. Maybe it’s because these talented individuals build each Newmar, from the American Star Travel Trailer up to the London Aire Coach, on the same assembly line. Maybe it’s because Newmar’s leadership believes real quality is not found on a chart but in a way of life.

There are several things that make a Newmar special. Just like individuals, the qualities we value most are the inner ones. We build our products to reflect this way of thinking. We believe outer beauty is only worthwhile if it reflects inner quality. We back this quality with a three-year / 36,000-mile, bumper-to-bumper limited warranty, the Newmar Freedom Warranty. It’s a commitment not only to our products, but also to our Newmar owners. And as with many other industry-changing innovations, Newmar was the first to offer this level of coverage, leaving the rest to follow suit. It’s all about freedom — comprehensive coverage and the peace of mind that goes along with it. This is the essence of Newmar.
We pay close attention to details like surface preparation and facility cleanliness for maximum results, no matter if the job calls for a full custom paint scheme or one from our assortment of offerings. Our finishing technicians are skilled and experienced. The result is your Newmar receives an uncommonly uniform finish that is as durable as it is beautiful.

DÉCOR

With the range of fabrics, colors and textures available in Newmar’s designs, you have a broad palette of self-expression. These elements work in harmony to create a unique experience that captivates and inspires. Newmar interiors are designed to delight your senses of sight and touch, and allow you to choose an interior as individual as you are.
KONNECT

With so many impassioned Newmar owners out there, sharing the Newmar experience is only natural. We created the Kountry Klub to:

• Create an environment for friendship, fun, adventure and recreation
• Provide a forum and activities for all Newmar product owners to socialize as a group
• Streamline relations and communication between Newmar and Newmar owners

There are many benefits for our members to enjoy including the Klub magazine, rallies, caravans and special RV show events. Call 877-639-5582, or go to the Klub section of newmarcorp.com for details on our events calendar, Klub merchandise, Klub news and more!

EXPERIENCE THE NEWMAR FACTORY TOUR

If experience is a good teacher, let the Newmar Factory Tour experience teach you much. Feel the smooth contours of hand-finished countertops before they are set. Smell freshly sanded woods as cabinets are assembled. Take in the energy of motivated employees as they build each individual Newmar, on the same assembly line, with equal care and attention to detail. Consider yourself invited. Call 574-773-7791 for reservations and more information.
2003 MOUNTAIN AIRE CLASS A

STANDARD FEATURES

MOTORIZED CHASSIS FEATURES
• Cruise Control
• Stainless Steel Wheel Simulators
• Tilt Steering Wheel
• Workhorse W-22 Chassis

Lengths, Heights, Widths, and Dry Weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, or dealer installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer installed accessories, etc., that can be carried by the motorhome.

* Specifications supplied by chassis manufacturer.

Lengths, Heights, Widths, and Dry Weights are approximate. Weight will vary based on optional equipment added to the above base weight.

**GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.

**GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.

**GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.

**UVW:** Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil, and coolants. The UVW does not include cargo, fresh water, LP gas, or dealer installed accessories.

**NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer installed accessories, etc., that can be carried by the motorhome.

* Specifications supplied by chassis manufacturer.
Newmar Freedom Warranty™

The Newmar Freedom Warranty simply and clearly details the most impressive coverage in the industry. Three years or 36,000 miles, whichever comes first. Bumper to bumper. It’s a symbol of our uncompromising pursuit of quality.

Newmar takes great pride in ensuring our owners have made the right choice. It’s yet another way of reinforcing Newmar’s commitment to the customer, and a challenge to the rest of the industry to raise its standards for the benefit of all RV owners.

Newmar has made this kind of protection possible, not only by building quality products, but also by demanding the same level of quality from our component manufacturers. When Newmar required them to match this 36-month pledge, everyone stepped up as expected. Now, Newmar is pleased to include these companies in our warranty - making the Newmar warranty truly complete.

The Newmar Freedom Warranty covers all components, except tires, battery and chassis (which is warranted for at least 36 months by its manufacturer).

Newmar Quality: A Way of Life.
