Such wild, awesome beauty greeted us around every bend! Every destination—not to mention each stop along the way—seems a place of magic when your travel companion is an American Star Fifth Wheel. It’s all about comfort. And American Star has it to spare, beginning with the value it represents. Who would have thought that a coach with such high-end features as a huge pass-through storage area and truly sophisticated interior styling could be so budget-friendly? Well, anyone who knows Newmar’s reputation for smart design and cost-efficient manufacturing, that’s who! Now, isn’t it time you experienced an American Star?
A. Cabinets above the sink are recessed, giving you more room to maneuver when washing dishes or preparing food.

B. Stand tall: Our new raised roof eliminates the need for steps and increases ceiling height to 6’6”.

C. The roomy, accommodating booth dinette makes a pleasant setting for meals, conversation or gaming.

D. Spacious, easy-cleaning laminate countertops simplify meal preparation.
We learned at the visitors center that it was the Cherokees who named these mountains "the place of blue smoke."
A. Striking window treatments with day/night shades grace the living room.
B. A slideout opens the living area, making it much more accessible and giving you plenty of room to stretch out and relax.
C. Pack everything you want: The unobstructed pass-through bay provides maximum storage space without sacrificing frame strength.
D. The convenience of home is yours with this bedroom vanity mirror.
NEWMAR’S FREEDOM WARRANTY™

Your American Star Fifth Wheel is built to take you as far as your road rolls on…for as long as you roll on with it. Because there’s more than enough solid engineering here to ensure years of travel pleasure.

American Star is assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar coaches. It also embodies Newmar’s long history of product innovation and industry “firsts.” For us, it’s a matter of pride. And tradition. Of taking personal responsibility and building a product that each of us, ourselves, would want to own.

As proof of our commitment, we back every RV we make with a two-year, bumper-to-bumper limited warranty: The Newmar Freedom Warranty. Ask your dealer for details. You’re sure to find coverage this comprehensive a truly liberating experience.

TRUE CENTRAL AIR: Newmar’s True Central Air System—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air to the other to supply and effectively remove warm air from every living area.

*Ceramic tile, simulated floor and simulated tile options also available.
Here you'll discover the latest model specifications, floor plans and options, as well as information on who we are, how we work and what we believe in.
THE NEWMAR KOUNTRY KLUB

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you’ll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that’s just for starters.

Join today! Call 877-639-5582, toll-free, or visit the Klub section of newmarcorp.com.
