2001 DUTCH STAR

DIESEL PUSHER • CLASS A

NEWMAR CORPORATION
“Respect the masterpiece. There is no quality so great, none so much needed now.”

Frank Lloyd Wright
Quality.
It's a Way of Life.

In Nappanee, Indiana, there's a refreshing attitude towards life. It's an attitude so basic to the way people live that they couldn't imagine doing things differently. We respect quality in all its forms...in our friends, our faith and our families. Quality demands hard work and rewards with the satisfaction of a job well done. It is in the land and it is in the heart. It is in Newmar.

Newmar motorhomes represent real quality because the people who build them don't believe in shortcuts. Our customers understand this. It shows in all of our motorhomes. It shows in the Dutch Star.

Because it carries the Newmar name, you know it was built with craftsmanship, dedication and love. The result is the resale value and amenities that you've always wanted in a motorhome. Care that shows in every detail verging on obsession. The Dutch Star is an outstanding value, balancing excellence and affordability.

With floorplans, specifications and options choices available on every Dutch Star, chances are there's a configuration that is just right for you. Built for your way of life.

Newmar Quality: A Way of Life.
The Newmar Way of Life. At Home on

Because we have attended to every detail, you will travel with confidence. At times, life with a Dutch Star Diesel Pusher means a different scene every morning when you open your door. Other times it means sticking around a while to enjoy familiar friends and places. Either way, it is built for the journey by people who care deeply. Whether you plan to stay the night or the season, you'll find value, comfort and craftsmanship are your constant travelling companions.
Because Newmar frames its units like the framing in your home, we can provide true central air conditioning. Vents throughout deliver cool air and return warm air, allowing you to close the door to a room and still enjoy total comfort.

All diesel pusher chassis arch upwards due to the weight of the engine at the rear. Newmar adds a bridge-like truss structure that corrects this arch, thus eliminating undue stress on the sidewalls.
The Newmar Way of Life. Nothing Quite Compares

Open the door. Step inside. Put your feet up. When we build your Dutch Star Diesel Pusher, we're thinking of our own homes in Nappanee, Indiana. Our craftspeople want your experience to be as pleasing as theirs when they return after a day of satisfying work. They decorate the interior of every Dutch Star with warmth and friendship. In a Dutch Star, wherever your journey takes you, we're glad you'll always feel at home.

This kitchen features an L-shaped counter, three-burner stove, 0.8 cubic foot microwave, acrylic sink, matching refrigerator panels on 8 cubic foot unit and outward facing cabinets above peninsula, surrounded in Mardi Gras/Oak.

Models shown are DP3551 and DP3891.
This Dutch Star Diesel Pusher features a kitchen/sofa flat-floor power slideout and a bedroom slideout with optional cherry hardwood cabinets and trim.

TO THE FEELING OF HOME.

The Dutch Star Diesel Pusher shown with optional leather recliner.

Sofa/dinette in a Newmar assembled flat-floor power slideout, shown in Mardi Gras Oak.

Convenient night stands and quilted bedspread with pillow shams and accent pillows are all standard.
Looking for a little adventure? The Dutch Star Class A gas motorhome brings it daily to your doorstep. You can experience life on the open road in a carefully crafted, lovingly built, value-oriented motorhome...without giving up on performance and style. Joining friends for weekends or heading off with the family for some vacation fun is definitely in the cards. In Nappanee, we know this simple truth: Life is good. In a Dutch Star, it can be even better.

Ample space and convenient lights located in the exterior storage compartments are just some of the standard features on the Dutch Star Class A.
All Newmar products come with 16-inch on-center aluminum framing, providing strength, more room for insulation and the space to run wiring for electrical outlet placements on the wall, just like you find at home.

Newmar was the pioneer in flat-floor powered slideouts. We build every slideout ourselves, using a rack and pinion system and a centrally located electric motor that applies even power to both racks.
The Newmar Way of Life. Inside, it's

It's the small things inside the Dutch Star Class A gas motorhome that tell the tale. Some things you sense immediately. The dedication of Newmar craftspeople is everywhere. See it in the cabinetry. Feel it in the sturdy furniture. Sense it in the soulful design. Soulful because it was built by people who put their all into their work. They don't just manufacture the Dutch Star, they live it...because they know you will live in it. It just wouldn't do for you to be any less than overwhelmed by our quality. And you won't be. Just look around—all around—and sense it for yourself.

The flat-floor power slideout is spacious, shown here in the Thyme interior with optional Snow Maple wood trim. Storage is available under the dinette benches.

Models shown are DA3666 and DA3455.
RICH OAK CABINETRY SURROUNDS THE SPACIOUS KITCHEN AND LIVING AREA.

EVERYWHERE.

SNOW MAPLE HARDWOOD RAISED PANEL CABINET DOORS SURROUND THE BEDROOM WITH SPACIOUS STORAGE.

THIS KITCHEN FEATURES STANDARD OAK HARDWOOD PANELS ON THE CABINETS AND A GEMSTONE COUNTERTOP WITH COORDINATED EDGE.

THE KITCHEN FEATURES A GEMSTONE COUNTERTOP WITH ACRYLIC SINK, MICROWAVE, 3-BURNER RECESSED RANGE AND A 8 CUBIC FOOT DOMETIC REFRIGERATOR, SHOWN IN OPTIONAL SNOW MAPLE.
"We mass produce in volumes of one."

"It is my deepest belief that we need to treat others as we treat ourselves, that I should treat our customers in the same manner as I would want to be treated. I believe these values helped make our company what it is today. They affect everything we do."

**Quality Design** We don't take short cuts, we construct. No matter what Newmar model our customers bought, they were assembled on the same production line, built with the same high standards and care.

**Testing** We test everything. All of our motorhomes, for instance, are tested for leaks, for alignment and for weight before they leave the assembly line. We want to be sure our products work the way our customers expect them to work.

**Innovations** We innovate for the long-term quality of our customer's life. For example, there's our flat-floor power slide out, which gives our customers as much living space as possible. We offer practical features that will make your life in a Newmar RV easier.

**Individual Responsibility** If one of our quality-control inspectors finds a problem in the plumbing, they pull a worker from the plumbing team to fix it. We believe it is the team's responsibility, no one else's. Our workers feel a personal obligation to make a customer's RV the best possible.

**Newmar Quality** When it's all said and done, this translates to Newmar Quality. Customers must be able to enjoy their Newmar RV for years to come. There is no other way for us.

When we say 'Newmar Quality: A Way of Life,' we truly live it.

Virgil Miller, President, Newmar Corp.
New for 2001, Newmar is offering three beautiful paint scheme options available for the Dutch Star diesel pusher. Newmar's two state-of-the-art paint shops make it possible to provide these quality painted graphics.

**Motorized Chassis Features**
- Standard Chassis – Ford F-53 Chassis with V-10 Engine
- Cruise Control
- Tilt Steering Wheel

**Air Conditioning & Heating**
- 15,000 BTU Brisk™ Central Air Conditioner
- Dash Heater/Air Conditioner High Output
- LP Leak Detector

**Appliances & Accessories**
- 6-Gallon Gas Water Heater – Direct Spark Ignition
- Spacesaver Microwave
- 19” Color TV
- 3-Burner Recessed Range with Glass Oven Door (piezzo ignition)
- AM/FM Stereo with CD Player (in dash)
- Cable TV Connection with RG6 Coax
- Dometic® 3862 Refrigerator (8 cu. ft.)
- Hardwood Raised Panel Refrigerator Front
- Satellite Prep – Phone/TV Jack and Recept
- Telephone Connection with one Phone Jack
- TV Antenna with Power Booster & two Jacks

**Cabinets & Furniture**
- Flexsteel, Swivel/Recline Front Seats with 3-Point Seat Belt
- Flexsteel, Swivel Barrel Chair (where shown on floor plan drawing)
- Drawers with Metal Guides
- Gemstone Countertop in Kitchen with Color Coordinated Edge and Acrylic Sink
- Laminate Countertop with Color Coordinated Gemstone Edge and Porcelain Lavatory in Bath
- Oak Hardwood Raised Panel Cabinet Doors

**Electrical Features**
- 55-Amp Converter with Charger
- 2 – 12-Volt House Batteries on Pull-Out Tray
- Battery Disconnect (for house battery)
- Generac® Generator with One Remote Switch (1.8 on Ford; 6.6 on Freightliner chassis)
- 5-Watt Solar Panel to Charge Chassis Battery
- Driving Lights
- Emergency Engine Start Switch
- Exterior Security Lights (one installed on each side)
- Lights in Exterior Storage Compartments

**Exterior Features**
- BriteTek Roof with 7MM Decking
- Convex Exterior Mirrors with Remote Control and Defrost
- Gel-Coated Fiberglass Exterior Sides
- Hitch for Towing Car (with two extra 14-gauge wires for customer use) (class-3, 5000# rating)
- Roof Rack & Ladder

### Interior Features

- Carpeting – Nylon with Scotchguard® Stain Release
- Vinyl Floor in Kitchen and Bath Area
- Day/Night Pleated Window Shades & Lambrquins
- Quilted Bedspread with Reverse Sham and Accent Pillow
- Woven Soft Touch Ceiling

### Plumbing/Bath Features

- China Stool with Spray Attachment
- Monitor Panel
- Sewage Holding Tank Rinse
- Tub/Shower Surround with Shower Door
- Water Heater Bypass System

### Construction Features

- Aluminum Frame Sidewalls & Roof Construction, 16’ On Center

### Windows, Awnings & Vents

- Automatic Entrance Door Step
- Fan-tastic Vent with Rain Sensor in Kitchen
- Power Vent in Bath Area with Wall Switch
- Lighted Acrylic Assist Handle at Entrance Door
- Skylight in Bathroom (located above tub/shower)
- Stainless Steel Wheel Simulators
- Tinted Safety Glass Windows

### Optional Features

**Option Packages**
- 2 – 13.5 Penguin® AC, 5.5 Generac® Generator, 50-Amp Service with Flex Cord & Auto Changeover (except Freightliner Chassis) [128 lbs.]
- 2 – 13.5 Penguin® AC, 6.6 Generac® Generator, 50-Amp Service, Flex Cord & Auto Changeover (not available on 2957) [154 lbs.]
- Touch Control Jacks, Rear View Monitor System, A&E Main Slideout Cover & 8500 Side Awning [173 lbs.]

**Appliances & Accessories**
- Ceiling Fan in Bedroom (available on 3256, 3366, 3368, 3450, 3451, 3455, 3465) [10 lbs.]

**Cabinets & Furniture**
- Leathermate Front Seats with 6-Way Power, Power Lumbar & Ergo-Flex Arms [50 lbs.]
- Leathermate Swivel/Rocker Recliner in lieu of Standard (not available on 2957, 3058) [15 lbs.]
- Built-in Booth Dinette in lieu of Standard (available on 3256, 3366, 3368, 3451, 3455, 3466, 3666) [23 lbs.]

**Electrical Features**
- 400-Watt Inverter (for dash TV) [10 lbs.]

**Interior Features**
- Simulated Plank Floor in Bath [54 lbs.]
- Simulated Plank Floor in Kitchen Area [57 lbs.]

**Windows, Awnings & Vents**
- Driver’s Side Door with Power Window (available on 2957, 3058, 3256, 3450, 3451, 3455) [50 lbs.]
FLOORPLAN OPTIONS
