When you choose a Mountain Aire Travel Trailer, you can feel confident that you have chosen a recreational vehicle of the utmost quality and workmanship. Since 1968, Newmar has taken great pride in building exceptionally high-quality products using only the best materials and the latest technology.

The Mountain Aire Travel Trailer sports two new, modern exterior graphic packages in either True Blue or Gold Dust, plus four all new interior color schemes. The colors are beautiful — the choosing is the tough part. Pick from Beachcomber, Florentine Blue, Garnet or Willow Green to make your new Mountain Aire your choice and one to be proud of for years to come.
1) Whether you're relaxing, dining or entertaining - there's room for everyone with the large, flat-floor slideout.

2) The efficiently designed Mountain Aire kitchen features a 22" 1.3 cf microwave, an electronic ignition range and a premium cast acrylic sink.

3) The stylish master suite includes day/night pleated shades plus optional coordinated lamourqin window treatments.

4) There's 82" of interior height for a truly spacious interior while standing. You'll also enjoy the comfort of these two great glider recliners for a time of relaxation.

5) The slideout room provides additional space to this wonderful living area that also includes an elegant entertainment center.

6) You will never want to leave the dining room table while sitting in this beautiful room, handsomely decorated in our Willow Green interior color scheme.
Even before you step inside a Mountain Aire® Fifth Wheel, you can see the
deluxe difference. This is no ordinary
recreational vehicle. This one says style,
design, quality, roominess and value. This
one says — Mountain Aire by Newmar®.

Once inside, you’ll notice a “touch
of class” throughout with beautiful
hardwoods, plush fabrics and quality that
follows through from room to room.

Our four popular interior color schemes
are Beachcomber, Florentine Blue, Garnet
and Willow Green. Choose from True
Blue or Gold Dust for the exterior that is
expertly displayed in a new contemporary
graphics package. No matter what color,
style or floor plan you pick, we have a
quality built Mountain Aire for you.

We stake our name and reputation on it!

The spacious living, dining and kitchen area
provides plenty of comfortable room without
sacrificing style.
1) An optional fluted hardwood fascia board frames the elegant slideout room. The window treatments add special class to this warm and friendly room.

2) Newmar's attention to beautiful hardwood cabinetry (optional) is expertly displayed in this Mountain Aire® bedroom.

3) The master suite is well-planned with this spacious open bathroom adjacent to it.

4) Our patented flat-floor slideout provides a huge area for both dining room and living room.

5) The master bedroom has a walk-around queen size bed, plus plenty of rich cabinetry and storage areas.

6) The spacious island kitchen model, shown here in optional Washington Cherry, features an array of beautiful cabinets and name brand appliances, conveniently arranged.

7) The elegant entertainment center was designed with a custom slide-out/TV shelf.
Enjoy touring scenic roads in your own Mountain Aire® from Newmar®. Your adventure begins the moment you settle in behind the wheel and discover unparalleled Newmar quality and beauty. As the industry pioneer of the patented flat-floor slideout, you’ll experience the best in the business in uncompromising quality and design. Nestled in the heart of Amish Country in northern Indiana, our team of skilled craftsmen and design engineers have taken great pride in assembling a fantastic lineup of Mountain Aire Class A Motorhomes for 2000.

On the outside of the Mountain Aire Class A, make your selection from Classic Green, Sierra Beige or Blue Opal as your contemporary graphic statement. No matter what model or color you choose, you’ve made a great choice because it’s a Mountain Air from Newmar.

Frosted Maple cabinetry surrounds a kitchen to dream of that includes Corian® countertops, a full array of appliances and a complementary plank floor.
1) Day/night pleated shades embrace a stylish dining area. Note the hardwood raised panel refrigerator front in the background.

2) A plush leather recliner matches the driver and passenger seats.

3) Our dinette converts easily into an excellent computer desk and work station.

4) A decorative, fluted hardwood fascia board sets the stage for our big slideout room. The hidden leaf dinette is joined by two folding and two upgrade dinette chairs.

5) A beautiful bedspread with coordinating window treatments are stylish examples of the great decor found throughout the Mountain Aire®.
Mountain Aire's tremendous popularity over the years has never been a mystery. The offering for 2000 includes four new interiors in your choice of Beachcomber, Florentine Blue, Garnet or Willow Green. On the outside, new contemporary painted graphics are available on our smooth gel coated finish in Moonlight Suede, Sapphire or Willow Frost. But regardless of model or color, you'll be getting the kind of style and quality that has made the Mountain Aire name synonymous with excellence ever since its introduction a decade ago.

A decorative sculptured inlay design in the living room carpet, plus a sculptured inlay area rug add a special touch to the kitchen and living areas.
1) Rich colors in a warm atmosphere make this Mountain Aire® model in Garnet a favorite.

2) An added feature in one of the wardrobes in this master bedroom includes cedar paneling.

3) The big slideout room is home to a handsome dinette with our popular hidden leaf table.

4) You'll enjoy relaxing in this comfortable Flexsteel® recliner.

5) The big master bedroom includes a queen size bed with a quilted bedspread, reverse sham and an accent pillow.

6) All the comforts of home are built-in to the kitchen, including a 30” convection microwave, a 3-burner recessed cooktop with electronic ignition and a Dometic 1062 refrigerator with ice-maker.
7) The Corian® countertops have a color-coordinated beveled edge and the sink features a single handle Moen faucet.
For more than three decades, Newmar® has been building America's most popular recreational vehicles. Right from the start - customers like you recognized that a Newmar recreational vehicle was something special. In a world of cookie-cutter RVs, a Newmar product has always stood out for its innovative features, outstanding performance and unparalleled quality. And, while we're proud of our tradition of excellence, we won't rest on our laurels. We're constantly refining our recreational vehicles to make them even better. We believe the models featured in this catalog are the finest we've ever built. And, we back them with a bumper-to-bumper, three year warranty.

Thanks for taking the time to look over our products. We sincerely hope you will become one of our many satisfied customers who have learned that Newmar truly is An American Tradition of Excellence.

Marlon Miller
Chairman of the Board

We invite you to visit our state of the art production facility in Nappanee, Indiana.

Plant tours are offered at 10:00 a.m. and 1:00 p.m., Monday through Friday.

NewmarCountryKids®

Don't forget to check out the Club—the Newmar Country Klub, that is. All you need for eligibility is to be a proud owner of any of the fine Newmar recreational vehicles.
STANDARD FEATURES

2000 MOUNTAIN AIRE BY NEWMAR

For more than three decades, Newmar* has been building America's most popular recreational vehicles. Right from the start - customers like you recognized that a Newmar recreational vehicle was something special. In a world of cookie-cutter RVs, a Newmar product has always stood out for its innovative features, outstanding performance and unparalleled quality. And, while we're proud of our tradition of excellence, we won't rest on our laurels. We're constantly refining our recreational vehicles to make them even better. We believe the models featured in this catalog are the finest we've ever built. And, we back them with a bumper-to-bumper, three year warranty.

Thanks for taking the time to look over our products. We sincerely hope you will become one of our many satisfied customers who have learned that Newmar truly is An American Tradition of Excellence.

Mahlon Miller
Chairman of the Board

We invite you to visit our state of the art production facility in Nappanee, Indiana.

Plant tours are offered at 10:00 a.m. and 1:00 p.m., Monday through Friday.

Compliments of:

Newmar Corp.
