Newmar's image as the very best among fifth wheel recreational vehicles is the direct result of striving for perfection. While much of today's emphasis seems to be placed on cutting corners, Newmar continues to insist on the finest quality and dependability in its products.

The 1999 Kountry Aire® continues the tradition it was founded on in 1968; to design and build the best products available, so that our customers keep returning.

The Kountry Aire® 5th Wheel line-up includes seven excellent models that range from 38' 6" up to 40' 8"

in length. You will discover roomy elegant living with our patented flat floor slideouts and added headroom of 4" in the rear of these great fifth wheels.

There are four new interiors for 1999 that beautifully blend with three woodgrain choices - Light Oak,

Frosted Maple and Washington Cherry. On the outside, the sleek Kountry Aire® lines are accented by a new

fiberglass cap on the front and under the cabover, plus new bay window caps on some rear kitchen models.

No matter which great Kountry Aire Fifth Wheel you choose, you've chosen from Newmar's "very best".
