A famous movie line says “there’s no place like home.” And you’ll feel right at home in the 1995 Dutch Star Class A or Diesel Pusher. Dutch Stars are equipped with uncompromised structural quality and Newmar’s popular slideout room, and you’ll feel comfortable with its modest pricing structure.

Standard necessities and interior decors can be complemented with a wide range of options, thus the finished appearance of a Dutch Star suggests a much higher-priced motorhome. There is “no place like home,” especially when settling into the Dutch Star, because there’s no other.

The 1995 Mountain Aire profile has been updated with distinctively designed graphics and a specially-designed front end that conveniently extends the driver’s view of the road.

Grand design elements also include swivel seating in the front, as well as a stationary, molded beverage tray and built-in television. (Optional leather driver and passenger seats are shown.)

Experience the Mountain Aire.

Comfort and luxury are qualities you’ll enjoy in the popular designs for the Mountain Aire bedrooms.

Optional residential recliner.
Looking at the 1995 Mountain Aire, you see a distinctive profile in a motorhome, yet you also find an attractive, affordable price. These motorhomes have the beauty, quality and reliability that all Newmar products are known for and they have developed a reputation all their own.

The innovative Newmar motorhome slideouts are very popular. In the Mountain Aire's grand interior, the large slideout makes the living area, kitchen and dining areas as open and comfortable as your home, offering name brand appliances and stately cabinetry. Newmar pioneered the slideout and remains unchallenged as the innovative leader in the industry.

Splendid design specifications and uncompromised structural quality combine with Newmar's Old World Craftsmanship and New World Technology for a mid-range priced, luxury class, vehicle.

Kountry Aire, Mountain Aire: “5 Year Limited Warranty on Superstructure”

Newmar Corporation warrants the Superstructure which includes the following: the I-beam frame, the aluminum framing in the side walls and roof. If any part of the Superstructure fails to perform properly within 5 years from the date of purchase because of faulty workmanship or materials supplied by Newmar, during the ownership of the original buyer, it will be repaired without charge for either parts or labor by Newmar providing the proper claim procedures are followed. All other items excluding the Superstructure are covered under the standard Newmar 1 Year Limited Warranty. See Owner’s Manual for details.

Prices, specifications and floor plans subject to change at Newmar’s discretion without prior written notice or obligation.
Newmar was the innovator of the motorhome slideout, and continues as a leader, providing mechanisms that function smoother and quieter than any in the industry.

Optional hidden leaf table.

Enjoy the Kountry Aire.

Elegance is featured in this sophisticated Kountry Aire bedroom, with customized bed coverings and a richly upholstered headboard.

Whipping up a meal is a breeze in this well-designed layout of the Kountry Aire kitchen, complemented with attractive hardwood floors and cabinetry.
Take it all in... the 1995 Kountry Aire is like a breath of fresh air in contrast to comparably priced motor-homes on the market today. The mainstay of Newmar Corporation, conventional Kountry Aire Class A’s, are top flight, with a combination of Old World Craftsmanship and New World Technology. Innovative, exclusive slideouts provide a whole new dimension in space and comfort with the push of a button. It’s no wonder Kountry Aire is the one choice of return customers, especially when you consider the quality of built-in features. Richly furnished interiors, hand-selected hardwoods and stylish details make your motorhome a standout. Try the Kountry Aire for yourself and experience the difference.
