Dutch Star Diesel Pusher

The #1 Manufacturer of Motorhomes with Slideouts

REVOLUTIONARY – Best describes this "NEW" Dutch Star Diesel Pusher Motorhome.

REVOLUTIONARY – Because Newmar pioneered the innovative 12' power slide room into the motorhome industry 4 years ago.

REVOLUTIONARY – Because we saw the need for more living space, so we combined the extra 30 square feet of the slideout with the extra width of the 100" widebody design.

REVOLUTIONARY – Because we chose to put our quality motorhome on the Spartan EC2000 diesel chassis, another quality minded company.

REVOLUTIONARY – Because now there is an affordable diesel motorhome available to you with a slideout...
