The Ultimate Statement

"We had spent years working hard, traveling and had tried every form of camping and RVing offered from tents to motorhomes. We decided we wanted the best available in an RV, the ultimate, that's when we ran across the Ultimate Statement...London Aire."

"We wanted proof that London Aire was the ultimate, not just a sales pitch, and that's when our dealer pointed out to us that London Aire is one of the select few that offers a Limited Lifetime Warranty! That was proof enough for us. Newmar Corporation was confident in backing up their claims of quality and luxury so we could be confident with our purchase."

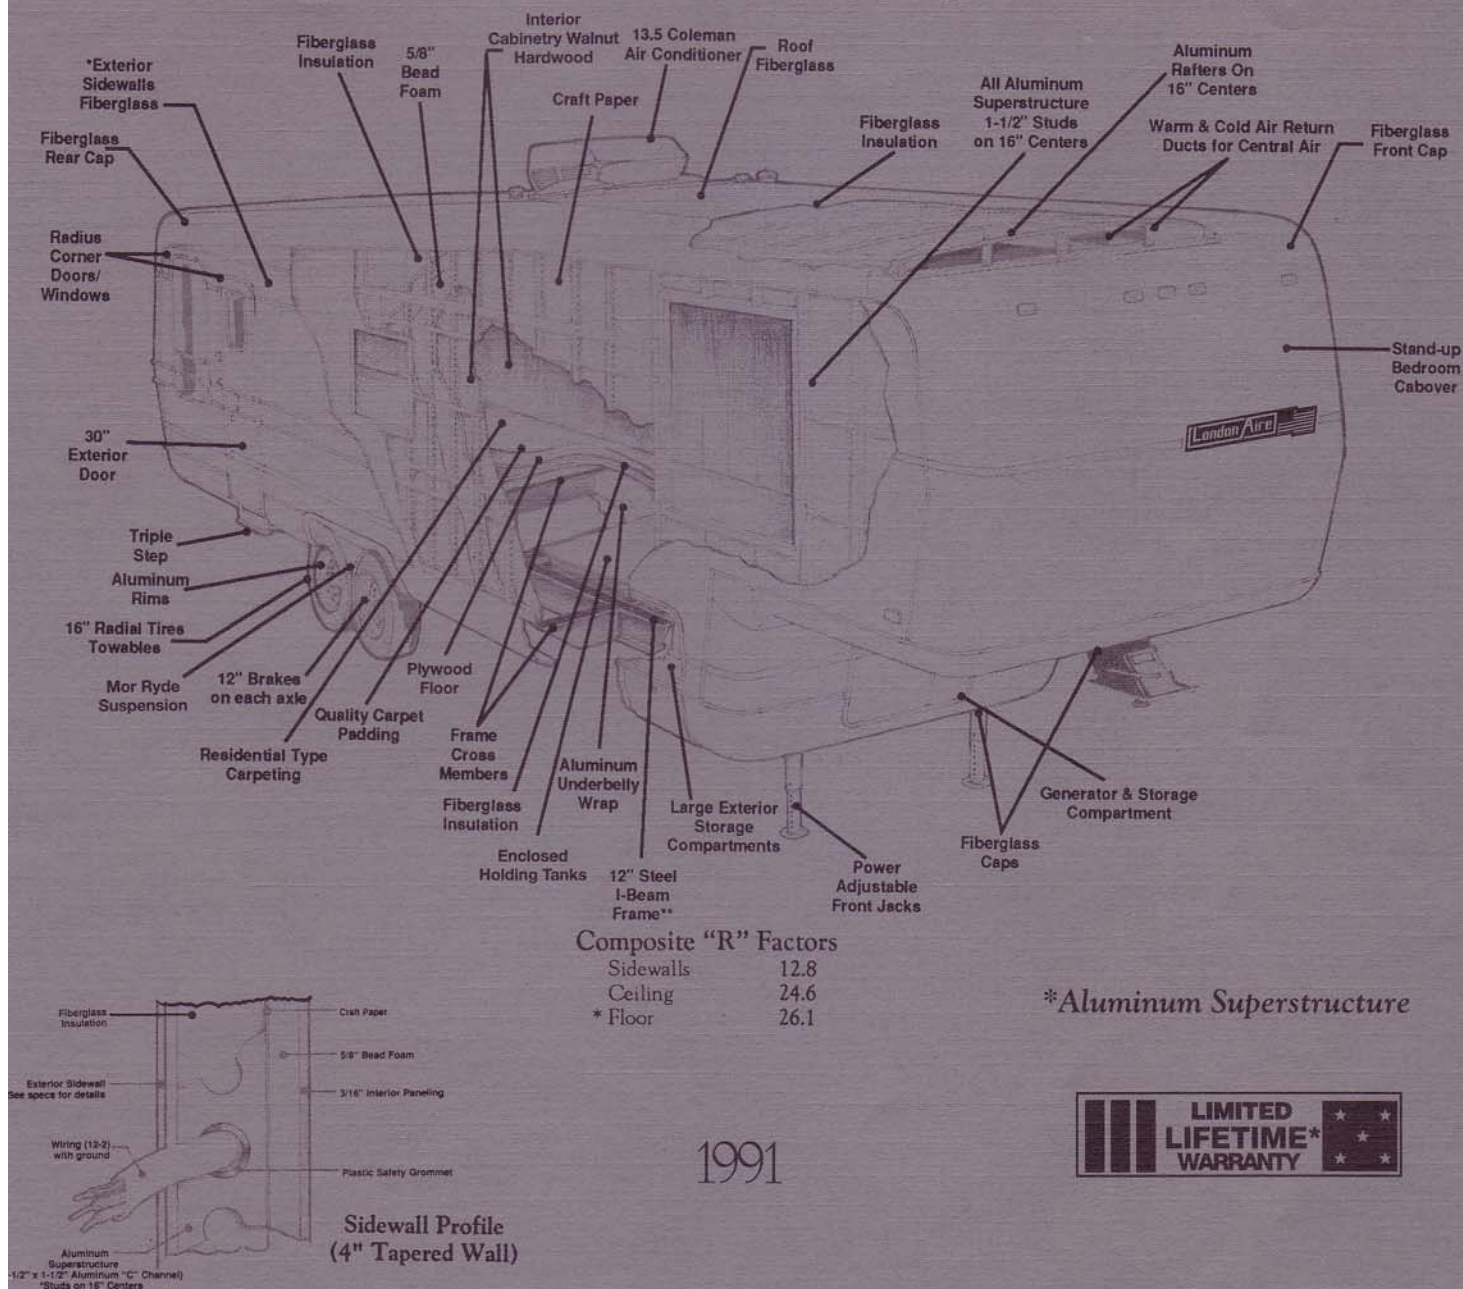

best, the ultimate: Central air, all hardwood cabinets and trim, all Aluminum Superstructure. Professionally decorated and designed, tasteful attention is given to every detail from the ground up. Our decision was easy once we found out about the Ultimate Statement...London Aire. Backed by a Lifetime Warranty!"
