MOTORHOMES by Newmar Corporation

"Technology Surrounded by Tradition"

Newmar Corporation has a motorhome for almost any purpose and to fit almost any budget. From the economical American Star Mini, the mid-range Kountry Star, the high mid-range Kountry Aire to the elite, top-of-the-line London Aire Class A's and Mini's, Newmar has a motorhome just right for you and your family.

Motorhomes aren't new to Newmar. Years of experience, expert design and engineering techniques back them. We have an innate understanding of today's motorhome enthusiasts and their needs. Experience and background such as this combines to create so many styles, colors, sizes and configurations, that you can practically custom design a motorhome to meet your own personal needs and budget.

All of these handsome motorhomes are tastefully appointed by a professional interior designer and incorporate the latest technology and equipment surrounded by Newmar's tradition of quality. Kountry Stars, Kountry Aires and London Aires are built with all-aluminum superstructures. Kountry Aire motorhomes have a 5-year Limited Warranty and London Aire is backed by a Lifetime Limited Warranty.
