TRAVEL TRAILERS

Step into the cozy, calm world of the Kountry Aire Travel Trailer, and discover how we've combined luxuries and essentials into one beautiful, spacious Travel Trailer.

Feel the thick carpeting underfoot. Switch on the stereo system. Notice the fine wood cabinetry. Take in the inviting traditional furnishings and colors.

Check out the nice extras, too ... the carefully planned lighting, the top-quality upholsteries and bedding, the neat, functional use of every square inch of space.

And when you realize how extensive the list of standard features is — 3-way Dometic refrigerator, hooded range with oven, tub and shower, foam cor firm backer in sidewalls and roof, front travel awning — to name only a few — you'll realize that our Kountry Aire Travel Trailer is unlike any other you've ever seen!

MINI HOMES

The Kountry Aire Mini features easy maneuverability and compactness, coupled with complete "at home" appointments inside. From its plush, fully outfitted driving cockpit, to its handsome sleeping quarters in the aft, this Mini Home boasts well-planned detailing throughout.

Standard equipment includes power steering, cruise control, dual fuel, electronic ignition, water heater, color-coordinated drapes, valances and soft shades, beautiful wood cabinets, complete carpeting, choice of six striking decor packages, and more!

We've worked hard to make efficient use of the Kountry Aire Mini Home's space — and fuel. But we think we've been downright extravagant in designing a fully equipped mini that's wonderfully inviting!

CLASS A MOTOR HOMES

Whether sleeping, traveling, or just "campin' out," you'll love the comfortable ambience of the brand new Kountry Aire Class A Motorhome.

On the road, it handles your every command, easily, readily. On the inside, it stretches out — luxuriously — with plenty of elbow room.

The fabulous standard features list stretches on and on, too. Air conditioning, microwave oven, Nutone Food Center, ice maker, gas grill, side awning, dual fuel, CB-AM/FM stereo with cassette, clock and headphones, smoke detector, automatic hydraulic leveling jacks, color TV, just to mention a few.

In a quality class by itself: the new Kountry Aire Class A Motorhome!
