

Newmar | 2020 Supreme Aire
Super Class C

2020 Super Class C Supreme Aire

“We love our coach and will
never own anything but Newmar.”

Albert Romain
Proud Owner of a 2018 Newmar

Joe McNamara

Production Paint Repair
25 Years in Craft

My favorite part about my job is working in a really positive environment, where people care about each other and about the product we're producing. And for me, it's also rewarding to work with my hands every day.

Here at Newmar, our craftsmanship makes us stand out from the rest of the competition. It gets us noticed. I'm proud that we're a really solid company making a solid, quality product.

2020 Supreme Aire — A New Class of Luxury is Finally Here

A brand-new addition to our lineup, the 2020 Supreme Aire provides features you'll only find in Newmar Class C RVs. This includes segment-first innovations like a step-free aisleway and rear pass-through basement storage. What's more, our exclusive full air-ride cab ensures the smoothest travels you've ever experienced. Overhead, a generously sized sky window allows plenty of natural light to enter the cabin, while a motorized shade provides privacy and darkness when they're preferred. You'll also find a 30K rear towing hitch, so you can easily bring along your favorite recreational equipment and toys. Each Supreme Aire is built on a durable Freightliner® M-2 112 chassis, and each is adorned with our industry-exclusive full-paint Masterpiece™ finish, which is carefully applied to the exterior for beauty that stands the test of time.

Artisan full-paint Masterpiece™ finish

Comfort Rides — Along with You

The Supreme Aire cockpit is designed with both comfort and convenience in mind. Step inside to discover a pair of air-ride captain's chairs with pneumatic lumbar support, as well as a custom-tuned JBL audio system that provides amazing sound for your music, podcasts, and audiobooks. A Rand McNally navigation system is displayed on a 7" monitor and supplies turn-by-turn directions as you go, so you can always find your destination. Parking and driving are easier than ever before thanks to the tri-view rearview camera system, which allows you to monitor your surroundings. And standard in-coach Wi-Fi ensures you can stay connected to friends, family, and your favorite TV shows while you're traveling.

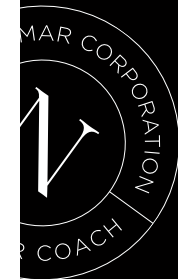

*Floor plan 4573 with Palisade décor
and Bermuda Glazed Maple cabinetry*

A Beautifully — Appointed Space

The elegant Supreme Aire living room boasts comfortable, stylish, and durable Villa furniture. In floor plan 4573, shown here, you're presented with a chaise lounge that's positioned opposite a Dormi sleeper sofa. Other available furniture selections include powered theater seating, a fireplace, dual recliners with a lampstand, and combination desk/dinette—so whatever your lifestyle, you can find the perfect configuration. Entertainment is always at your command, compliments of a retractable Samsung 4K LED TV and a Sony Blu-ray player. And a Bluetooth-compatible Bose 300 SoundTouch soundbar comes standard, sure to enhance any TV show or movie. The coach's sophisticated design elements include a padded vinyl feature ceiling and gorgeous tile flooring equipped with electric radiant heat. A trio of Penguin heat pump air conditioners assures a comfortable temperature.

Woodworking
Handmade Cabinetry

Gourmet — Goes with You

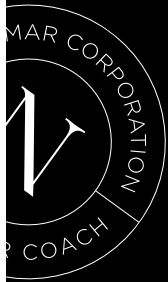

In the Supreme Aire galley, it's always a pleasure to prepare your meals or snacks. Shown here is our Bermuda glazed maple hardwood cabinetry with a stunning optional high-gloss finish. These spacious cabinets offer ample storage and feature self-closing drawers in addition to raised-panel doors with soft-close hinges. Supreme Aire's standard appliances include a 30" stainless steel convection microwave, a recessed two-burner induction cooktop with a cover, and a Whirlpool refrigerator. You may also choose to upgrade your appliance package by adding a stainless steel dishwasher in a drawer. Adding beauty to the galley are super-polished solid-surface countertops, which surround an undermount stainless steel sink. A matching sink cover provides extra prep space when needed. And for even more natural light, an extra kitchen window may be added, as seen here.

Leave Your — Worries Behind

Enjoy good nights and good mornings alike in the Supreme Aire master suite. A king-size bed is adorned with a plush pillow top mattress, which may be upgraded to an optional Sleep Number mattress if you choose. The bed is flanked by nightstands equipped with USB charging ports, so you can power your devices while you sleep. Adjustable reading lights are positioned at the head of the bed for your convenience and, for your entertainment, a Samsung LED TV with a Blu-ray player is located opposite the foot of the bed. What's more, a large dresser with matching wood-paneled hanging wardrobes presents you with plenty of storage space for clothing, bedding, and other essentials.

Designed for — Indulgence

Step into the master bathroom in floor plan 4573, and you'll enter a spa-like space that's designed to help you relax and refresh. The large 40" x 32" shower seen here is equipped with an Aqua Miser shower system and a fold-down shower seat. Tiled walls and glass door add a touch of residential elegance to the design. The full bath vanity features an undermount square sink, and it's backed by a beautiful hand-laid tile backsplash. For extra convenience on laundry day, a two-piece stacked Splendide washer and dryer are concealed in a cabinet. A well-appointed half-bathroom, shown here, is located just past the kitchen in floor plan 4573. Perfect for hosting visitors, it boasts many of the same beautiful finishes you'll find in the master bathroom.

Masterpiece™ Finish

Always — Ready to Roll

Supreme Aire is as elegant outside as it is inside. The exterior's many thoughtful touches include remote-controlled convex mirrors with defrost and chrome power baggage door locks. The standard Girard awning package is perfect for spending time out of doors in nice weather, and you may select the optional solar panels to provide power wherever your journeys may lead. Our industry-exclusive full-paint Masterpiece Finish is carefully applied to each Supreme Aire for lasting beauty, while the keyless entry door with a touchpad lends security and peace of mind. As the only manufacturer of Super C coaches with rear pass-through storage, you get more basement space for your belongings than any other model on the market—with easy access from either side and the rear cap. Frameless double-pane windows, hydraulic leveling jacks, and a 12.5-kilowatt Cummins diesel generator all come standard. If you enjoy hosting, the optional outdoor entertainment center—which includes a Samsung 4K LED TV and a soundbar—is the perfect addition to your Supreme Aire.

Every Inch — Perfectly Planned

Supreme Aire is available in three distinctive floor plans, including two with a half-bath, so you can choose a layout that perfectly complements your lifestyle and travel plans. And whatever your selection, you'll always travel confidently knowing legendary Newmar quality has been built into every last detail. What's more, the Supreme Aire comes in three or four slideout configurations including a full-wall slideout on floor plans 4573 and 4577. All feature porcelain tile that extends from the kitchen, bathroom, bedroom and living areas as well as slideout hardwood fascia for style. When extended, the slideout adds ample square footage to the already-spacious cabin, so you have plenty of room to relax wherever your travels might lead.

Quality You Can Feel

Like a fine home, the 2020 Supreme Aire is framed 16 inches on center, and is covered by a Fiberglass roof with walkable decking and an integrated gutter rail.

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins With The Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

We create chemistry

BASF

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

Driven By You

FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling and developing high-performance innovations such as DRIVETECH. The only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

RIVERPARK

At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality, innovative technology, and cutting-edge features. Newmar features Samsung's incredible 4K TVs, Xite Infotainment systems featuring Rand McNally, Bose soundbars, and JBL and Infinity premium audio. Step into a 2020 Newmar motorhome and experience dazzling audio and video performance throughout the coach.

FLEXSTEEL®
RECREATION

FLEXSTEEL RECREATION

Flexsteel Recreation offers innovative furniture designed for a life that rarely sits still. Comfortable and space-saving, Flexsteel furniture ensures your RV is always ready for dining, sleeping, or hosting guests.

SPARTAN MOTORS

Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.

Our People Make the Difference

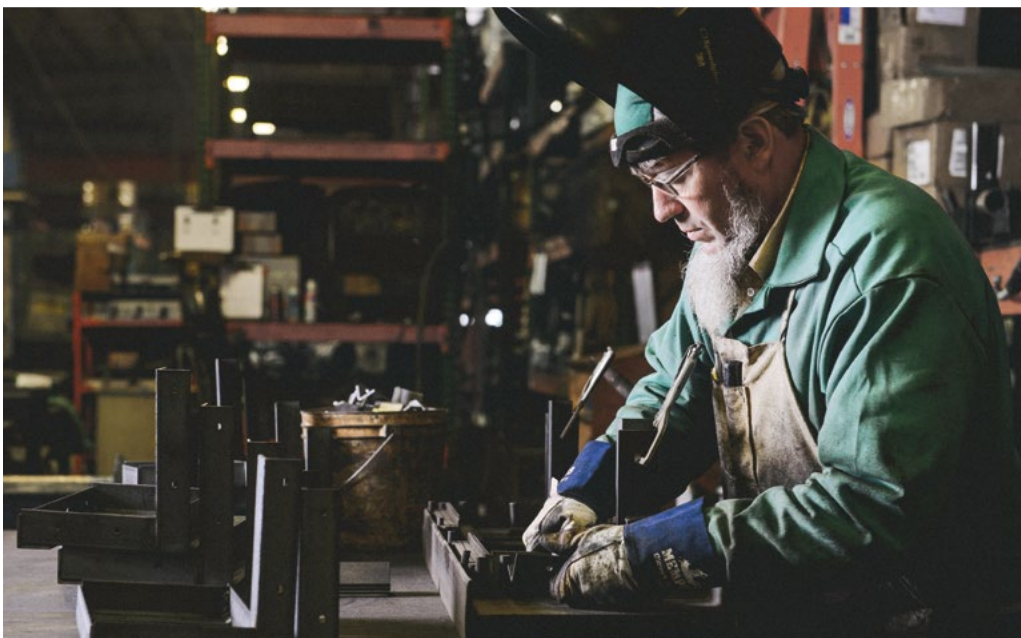

Newmar was founded in 1968 for one simple reason:
to build a better RV.

Since then, we've focused our efforts and energy on creating residential-quality "homes on wheels," complete with handmade cabinetry and designer décors.

And every Newmar is handcrafted one at a time by men and women who have spent an average of eight years assembling them, resulting in superior-quality coaches that fully surpass their mass-produced competition.

Here, we don't just take the responsibility of designing, engineering, and constructing your motorhome seriously, we take it personally. Because in the end, our goal is not to win your trust, but earn it. Not once, but every single time you hit the road.

Join us, and discover the Newmar difference for yourself.

When You Know the Difference.
