# The Outdoors for Everyone.

At Newmar, we've always held the belief that travel and the outdoors are for everyone, regardless of mobility. It's not only why we've built the world's first wheelchair-accessible Class A RVs, but have continued to develop our mobility lineup every year with advancements that make our motorhomes friendlier for everyone.

Inside each model, you'll find accommodations like fully integrated lifts, extra-wide aiseways, and more. Travel on your terms, and do it in a coach that's built for you.

# Bay Star 3811

## Gas Motor Coach

As a gas coach, the Bay Star 3811 is a perfect entry into RVing for those who want to experience the outdoors. We've combined a standard, ADA-approved BraunAbility® electric lift on the big door with more accessible amenities throughout the coach—including a 30-inch wide aisleway that runs the entire length.

- 01 Lowered countertops in the kitchen and bath to accommodate wheelchairs.
- 02 A larger wardrobe to accommodate additional needs.
- 03 Floor-to-ceiling mirrored doors.
- 04 A fully-integrated BraunAbility® electric lift.
