

Mountain Aire

LUXURY MOTORCOACH

Breathe It In

Take luxury with you everywhere you go in the 2022 Mountain Aire. The coach is ready from the start, with Newmar's industry-first innovation Comfort Drive™ steering system that makes navigating even small roads easier. There's also Mobileye® lane departure tracking which comes standard, tire pressure monitoring, OnGuard™ collision mitigation technology with adaptive cruise control, and electronic stability control. And with the industry-exclusive full-paint Masterpiece Finish™, it's the perfect combination of form and function.

Beckford full-paint Masterpiece Finish™

Alpine Accommodations

Take the mountains with you everywhere when you travel in the 2022 Mountain Aire. Built exclusively on the Spartan® K3 Tag Axle chassis, it carries an impressive 500 horsepower and 1,695 lb./ft. of torque. The Mountain Aire is available in six floor plans, including one new for 2022, which makes it easy to find the option that's right for you.

Your Kind of Place

Enjoy your own, private ski chalet whether you're in the mountains or on a beach, because the Mountain Aire is loaded with luxurious appointments. For entertainment, a retractable Samsung® 50" 4K LED TV is paired with a Bose® soundbar and subwoofer. Enjoy them from reclining theater seats, or a variety of other seating options. Radiant electric heat through the tile floors helps keep things cozy in cooler climates, while three 15M Penguin™ heat pump central air conditioners with wall-mounted sensors do so in warmer temps.

And with such large windows, there's plenty of natural light to illuminate the natural beauty of the interior.

Floor plan 4543 with Beckford décor
and Toffee high-gloss cabinetry

Enjoy Your Arrival

Even driving the Mountain Aire is a joy. The captain's and passenger's seats of the Mountain Aire are heated and upholstered in Ultraleather®, but there are other amenities as well. A new 10" Xite dash monitor system includes a Nav-N-Go navigation system, which uses the coach's dimensions to plan the best routes. There's a navigation monitor on the passenger side as well. Haptic feedback keeps the driver aware of surroundings, plus a 360-degree camera system with predictive grid lines and tri-view rear camera lets you see all around you. The passenger also has a queen-size seat with a workstation and footrest—perfect for getting a little work done while you're on the road. Speaking of work: floor plan 4589—new for 2022—includes a dedicated work area with a desk, chair, and storage.

On Site Dining

The galley of the Mountain Aire offers fine dining at your leisure, with a fully equipped kitchen. Appliances include a Whirlpool® refrigerator, a 30" convection microwave, and a three-burner cooktop. You can add an optional dishwasher, or even a kitchen window to let in more natural light. Hardwood maple cabinetry surround the super-polished solid surface countertops and feature raise-panel doors with soft-close hinges. And whether you're dining in or al fresco, a large pantry offers you all the space to whip up the meal of your dreams.

Sound Sleep

No matter what your day entails, there's something special about a night's rest in the Mountain Aire master suite. Rear and mid-coach bedroom floor plans are available for whatever best suits your needs. Whichever you choose, you'll find a dresser with six large drawers, super-polished countertops, and two wardrobes for loads of storage space. Enjoy a little late-night entertainment with a Samsung® LED TV. Here, you'll also find an LCD touchscreen control panel that oversees many of the coach's functionalities. And of course, there's a king-size bed with a plush pillow-top mattress—or you can upgrade to a Sleep Number® adjustable mattress.

Respite and Relaxation

The 2022 Mountain Aire offers several master bath options, depending on floor plans. On 41' models, you'll find a residential-sized 40" x 32" shower, and in some 45' models you'll find a large 50" x 34", all with tiled walls and glass doors. Every shower has a fold-down seat and three-pump soap dispenser. Warm water stays flowing with an Aqua Miser® shower system, and an optional laundry station offers a stacked washer and dryer to make laundry day a breeze. There's also a sizable wardrobe. The mid-ship half-bath is available on most floor plans, and offers the same comforts to guests.

Advancing the Outdoors

Whether you're inside the Mountain Aire or outside, it's easy to enjoy it. Girard® Nova side awnings provide ample shade, and a Dometic® freezer on a pull-out tray keeps everyone stocked on cool drinks. Add the optional outdoor entertainment package for a Samsung® TV and soundbar. Speaking of technology, the Mountain Aire also features a new app that allows you to control many of the functions of the coach from your personal device. A lighted exterior baggage compartment, plus an optional pass-through storage tray, offer easy access to everything you're carrying. Power baggage door locks and keyless entry with a touch pad and doorbell offer plenty of security. And they're all powered by a 12.5 kW Cummins Onan® diesel generator.

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
